Good morning, Program Coordinators!

Hope each of you are doing well and enjoying this fall (if dry) weather!

As we gear up for the upcoming tax season, I will hold a refresher training course for anyone interested at 10:00 AM, Thursday, Nov. 14 at the MAS Office. Please let me know if you will plan to attend and how many people. (Reply to just me so we don't clog up everyone's inboxes!)

I will be emailing you an update of your current debtor list next week for your review prior to submitting new accounts. If you have any updates on current accounts, please send them now.

I had hoped to move up the target submission date to November 1, but I have had more delays from the developer working on my web-based database. December 1 is still the target date ("deadline") to send in new accounts for the 2025 cycle.

Looking forward to working with each of you this year!

Stephanie
