M/Sgt. Jonathan Dearing had to purchase fuel for a county owned vehicle with personal funds while extraditing a prisoner from out of state. The fuelman system would not work out of state and that is why the purchases were made. We completed a travel form with fuelman, but his card was declined and locked.

Can M/Sgt. Dearing be reimbursed \$55.81 for the cost of fuel purchases?

I have attached a copy of the receipts to this memo. Let me know if you have any questions or need any further information.

Thanks,

Jeremy Williams
