The undersigned has been advised by the Madison County Sheriff's Office that the exhaust fans responsible for removing potentially harmful chemicals and debris in the air are potentially nonoperational because of the failure of a central door controller at the Madison County Detention Center creating a potentially dangerous situation for staff and inmates.

Therefore, as the Madison County Board of Supervisors officially named designee, I, Greg Higginbotham, do hereby declare an emergency exists concerning the safety of inmates and staff at the Madison County Detention Center. This declaration is applicable to and limited to expenditures incurred by the Madison County Sheriff's Office, the Madison County Building and Grounds Department, and the Madison County Board of Supervisors related to the repair of the door controller.
