Re: West County Line Road

Dear Supervisor Banks,

The Hinds County Board of Supervisors is asking for the assistance of the Madison County Board of Supervisors in paving North Countyline Road. The estimated cost of paving this road is approximately 1.5 million dollars. This cost includes the digging out of the road and 5 to 5 ½ inches of overlay.

I will also be contacting other businesses on this road and asking for their financial assistance in getting this road paved. The following businesses are located on North Countyline Road:

- Madison South Rubbish Landfield, Inc.
- DDB Construction Company Inc.
- Key Construction, Inc.
- Birdsong Construction
- Republic Services Inc

Each will be asked to contribute what they can. This is a significant investment for all parties involved.

I look forward to working with you and your fellow board members on this project, and hope there will be many more projects to collaborate on in the future.

Sincerely,
