Welcome

In an effort to better support Mississippi's State Agencies and local municipalities, that play many vital roles in serving the State in the event of a disaster and recovery efforts, the Mississippi PIP Association has been created as a non-profit organization and assumed the role of hosting the 2025 Mississippi Partners in Preparedness (PIP) Conference. The 2025 conference will take place at the IP Casino & Resort in Biloxi, Mississippi on May 20th - 23rd, 2025. We realize this function is not possible without the critical assistance delivered by our private and public sector partners and sponsors. We thank you and look forward to seeing all of you on the coast!

This is an opportunity for all of the organizations at the state, county, and private sector levels to come together and discuss current issues and receive training that effectively addresses current challenges and opportunities in specific areas such as emergency management operations, public health, medical countermeasures, emergency response and preparedness, volunteer service, transportation programs and initiatives, homeland security procedures, and environmental improvements and regulations in order to better serve the citizens of Mississippi.

During the last PIP Conference, 400+ personnel attended with over 50+ vendors supporting and taking part in the display hall and in the breakout classroom area. We are expecting an even greater turnout for PIP 2025.

Thank you in advance for your participation in the 2025 Mississippi Partners in Preparedness Conference. We look forward to seeing you on the Gulf Coast in May 2025.
