Re: 21-027B Softball Complex, Sulphur Springs Park  
**Proposed Change Request 6: concrete pumping \$1,227.02**

Josh,

During the December 11, 2024 OAC meeting, you, Drew Ridinger, and David discussed the need to use a pump truck to pour the 1<sup>st</sup> base dugout slab due to the site conditions. After some discussion, it was agreed that we could use a pump truck and this extra would be fund by the Owner's Contingency Allowance. The cost for one pump truck to pour the slab was \$1,227.02. A copy of the invoice is attached for your review.

If this change in scope of work is approved and funded by the Owner's Contingency Allowance, no additional markup will be added. If you have any questions, give me a call.

Thanks,

David England
