Re: 21-027B Softball Complex, Sulphur Springs Park
Proposed Change Request 9: Add two gates in existing fence \$3,550 (plus 5 days)

Josh,

During the March 11, 2025 OAC meeting, Drew Ridinger requested a price to add two gates to the existing fence adjacent to the new sewer pre-tank installed for the restroom/concession building to allow for better service access. The cost is \$3,550 and can be funded from the \$5,776 balance in the On-Site WW Treatment System Allowance #2.

If this change in scope of work is approved and funded by Allowance 2, no additional markup will be added. We do request an additional five (5) days be added to our contract for this work. If you have any questions, give me a call.

Thanks,

David England
