RE: John Doe from May 1983

In an attempt to identify the remains of a case from May of 1983, I have shipped samples to Othram, Inc. for DNA extraction. For reference this case has been referred to as the "Ed Cates" case.

I am requesting reimbursement for Fed Ex shipping charges which total \$181.06, copies of the receipts are attached.

Respectfully;

A handwritten signature in blue ink, appearing to read "Alex Breeland", is written above the printed name.
