

I, Deputy Renarldo Manning EOC4, a County Patrolman along with Deputy Director Larmey Travis EOC3 with the Madison County Emergency Management Agency, are seeking approval to travel to The Sobriety Trained Officers Representing Mississippi 2025 Spring Conference in Biloxi, Ms. The dates of the conference will be May 6th through May 8th. We are members of STORM (Sobriety Trained Officers Representing Mississippi) which provide officers with the latest training and information on techniques of detecting and apprehending impaired drivers and using current technology in the field.

Deputy Manning is SFST (Standardized Field Sobriety Test) and ARIDE (Advanced Roadside Impaired Driving Enforcement) certified. As an expert in this field, this training will be incorporated into our daily operations, as well as an asset to other agencies throughout the County. This training allows us to retain the continuing education requirement hours that are mandated by the Mississippi Law Enforcement Board of Standards and Training for all certified officers. The training is free, only room and board will be required.

Thanks,

Renarldo Manning
Madison County Emergency Management
