You understand that the Life Skills Reimagined online platform is provided to LYFT Learning as a Software as a Services (SaaS) from Epignosis the owner of TalentLMS.

The Terms of Service under the name LYFT Learning, constitute the Agreement between LYFT Learning, LLC, ("We", "Supplier" or "LYFT Learning"), and "You" (the "Customer") ordering the "Services". LYFT Learning LLC is a U.S. based company, having its registered office at 1377 Franks Ferry Rd., Sparta, TN 38583. "Services" means Supplier's hosted internet accessible learning management solution service and related content, under the name Life Skills Reimagined®, made available to You on an annual subscription term basis. An Authorized User means any Customer employee, contractor, agent or any other individual authorized by Customer to access and use the Services, via Customer's purchased subscriptions, for the purpose specified herein. You are responsible for Authorized Users' compliance with this Agreement.

LYFT Learning reserves the right to update and change the Terms of Service from time to time without notice. Any new features that augment or enhance the current Service, including the release of new tools and resources, shall be subject to the Terms of Service. Continued use of the Service after any such changes shall constitute your consent to such changes. You can review the most current version of the Terms of Service at any time at LifeSkillsReimagined.com.

Violation of any of the terms below will result in the termination of your Account. Copyright or Intellectual Property violations could result in legal action. While LYFT Learning prohibits such conduct and Content on the Service, you understand and agree that LYFT Learning cannot be responsible for any content outside of LYFT Learning copyrighted materials. Content posted on the Service and you nonetheless may be exposed to such materials. You agree to use the Service at your own risk.

Account Terms

1. The Customer will be responsible for all seat and user management, course assignments and operational reporting associated with their subscription. If the Customer chooses to use "dummy" or "invalid" email addresses for users, it will also be responsible for any password resets associated with those users. The use of "dummy" email accounts must be identified during the platform implementation process.
2. **LYFT Learning strongly prefers the User email address to also be used as the username, to help ensure usernames are unique to each user.**
3. **Every person using the system requires a seat license. This includes administrators, facilitators, learners or any other person with a login.**
4. **Your login may only be used by one person - a single login shared by multiple people is not permitted. You may create separate logins for as many people as your subscription allows.**
5. **Every learner with whom the content is used requires a seat license. Unless specifically agreed upon in writing by LYFT Learning, the content cannot be used in a group setting unless all participants have an account in the LYFT Learning platform.**
6. You are responsible for maintaining the security of your account and password. LYFT Learning cannot and will not be liable for any loss or damage from your failure to comply with this security obligation.
7. You are responsible for all Content posted and activity that occurs under your account (even when Content is posted by others who have accounts under your account).

2. **PDF content and content included within the curriculum or under My Files may be printed and reproduced under the terms of an active subscription specifically for currently**

named seat users. No content may not be shown, copied or otherwise used for individuals who are not at that time listed as Active Users in the Life Skills Reimagined database.

3. The Customer agrees that aggregate, ~~de-identified~~ user outcomes data, including assessments, completion status, scores, seat time and any other reportable metric may be used by LYFT Learning and partner organizations for research purposes to understand, report and potentially market the effectiveness of the LYFT Learning curriculum and/or platform. All outcomes data, published and unpublished, remains the intellectual property of LYFT Learning.
4. We claim no intellectual property rights over the material or communication you provide to the Service. Your profile and materials uploaded, if applicable, remain yours.

9. The Customer shall secure any and all necessary third-party licensing agreements with any third-party for any proprietary data needed as inputs for the LYFT Learning Software. LYFT Learning

may not be held responsible for, or liable to any party for, any fees necessary to secure any such licensing agreements. Upon LYFT Learning's reasonable request, the Customer shall identify, or cause to be identified, in writing, for delivery to LYFT Learning, or delivery by LYFT Learning to its designee, the party responsible for payment of any such fees.
