RE: Request to Cancel 2024 Homestead Chargeback (Book 4543, Page 620)

It has been brought to my attention that a 2024 Homestead Chargeback was inadvertently filed in my office due to an applicant error. Said chargeback was filed in Book 4543, Page 620 against parcel number 072E-15D-088/17.00 in the name of Patricia Weller Wood.

There was an error in her social security number on her original application and apparently said applicant is now deceased. Her Power of Attorney, Mr. Joseph Wood, argues that he never received a letter; however, on March 25, 2025 the application for this parcel was updated with the correct social security number. The tax assessor's office has made this correction for the 2024 Supplemental Homestead Roll.

I am requesting you allow me to void the above referenced 2024 Homestead Chargeback in order to clear up this matter for the applicant.
