To: Madison County Board of Supervisors
RE: Auction Proposal

Dear Supervisors,

Thank you for allowing us to submit a proposal to you. Enclosed is the list of equipment that will be sold at auction. Our proposal is as follows:

1. We will guarantee a price of \$752,000 for the entire package of equipment. Anything over the guarantee will be split 70% for Madison County and 30% for Thomas Auction (example – the guarantee is \$752,000 and the equipment brings \$802,000 at the auction, the split of the extra \$50,000 would be \$35,000 for Madison County and \$15,000 for Thomas Auction. The total to Madison County would be $\$752,000 + \$35,000 = \$787,000$).
2. We will sell the equipment on or before December 6, 2025, and pay the county within 15 business days of the auction.
3. We will pick up and haul the tractors and road grader for no additional fee. The County would be responsible for getting all the trucks and dump trailers to our lot in Kosciusko.
4. We will clean any item that needs to be cleaned for no additional fee.
5. We will make any small repairs that would increase the value of an item but only with approval from the County (one truck needs a starter, some of the trucks will need batteries, one truck needs a rear yoke, one truck has a bad air leak). We will charge you our cost for these repairs, but we will get approval first. The cost for repairs will be held out of the final settlement so the County will not be out any money.

Your items will be listed on Truckpaper.com, Tractorhouse.com, Machinerytrader.com, and auctiontime.com

Please feel free to reach out to me with any questions.

Thank you,

Patrick Thomas

Seller: _____

Madison County Board of Supervisors
Attn: Cornelius Bacon
146 West Center Street
Canton, MS 39046

Thank you for allowing Jeff Martin Auctioneers, Inc. (JMA) the opportunity to submit this proposal for liquidating the equipment that is surplus to the ongoing needs of Madison County. We have put together the best solution for your consideration in moving forward with this process by utilizing our complete auction services.

Jeff Martin Auctioneers will **GUARANTEE** Madison County **\$682,750.00** in gross sales proceeds for the equipment in the list below. JMA will charge 8% sales commission for its services. This offer is good for the equipment to be sold in our September 19, 2025 auction in at the JMA facility in Brooklyn, MS.

Upon execution of an auction agreement JMA will immediately go to work for Madison County by including the equipment our global marketing campaign. Our marketing campaigns utilize print color brochures, email marketing, trade publications in both, print and online versions (Machinery Trader, Rock & Dirt, Contractors Hotline, Truck Paper, Construction Equipment Guide), and local marketing (newspaper, radio, etc.). Each item is featured on our website with multiple photos of each item, as well as videos of most items.

JMA also provides online bidding for all of our auctions to ensure active participation from potential buyers from around the world through our state of the art online bidding platform as well as Proxibid. JMA consistently reaches online buyers from as far as the Middle East, and as close as Mississippi.

This equipment and vehicles would be sold at public auction at the JMA facility in Brooklyn, MS. All items would be transported to this facility in sell ready condition no later than 10 days prior to auction. This auction will be a live onsite- auction, with online bidding available from both of our online bidding providers, Proxibid and Next Lot.

All of the equipment and vehicles should be in "work ready" condition unless otherwise noted. All equipment should be cleaned inside and out. All tires be 50% or better. Fenders on both trucks to be repaired along with windshields if needed. All active fault codes should be cleared from the equipment. All equipment and vehicles should have fluids topped off, and crank from their own power by a key. The equipment and vehicles appears to require minimal cleaning and service work in order to get it into sell ready condition. JMA can furnish any cleaning and mechanic services as agreed upon prior to services being rendered.

With all this being said, JMA looks forward to working with Madison County on this partnership. We feel that the Board of Supervisors of Madison County would get the greatest return for the equipment by utilizing Jeff Martin Auctioneers' services. If you have any questions or concerns don't hesitate to call.

Thank you,

Brian Jasper
