Madison County
Attn: Albert Jones III EMA Director
P.O. Box 608
Canton, MS 39046

Dear Director Jones,

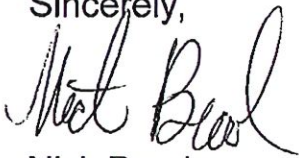

The City of Madison Fire Department has a long-standing relationship with the Madison County EMA.

The fire department is currently using an old 450 Mhz paging system to alert the responders of an emergency. We currently operate on the State of Mississippi MSWIN 2-way radio system. We would like to replace the old paging system to be able to integrate with new radios. Our current radios are aging and require multiple repairs that must be sent off for several weeks that causes us to be without a radio.

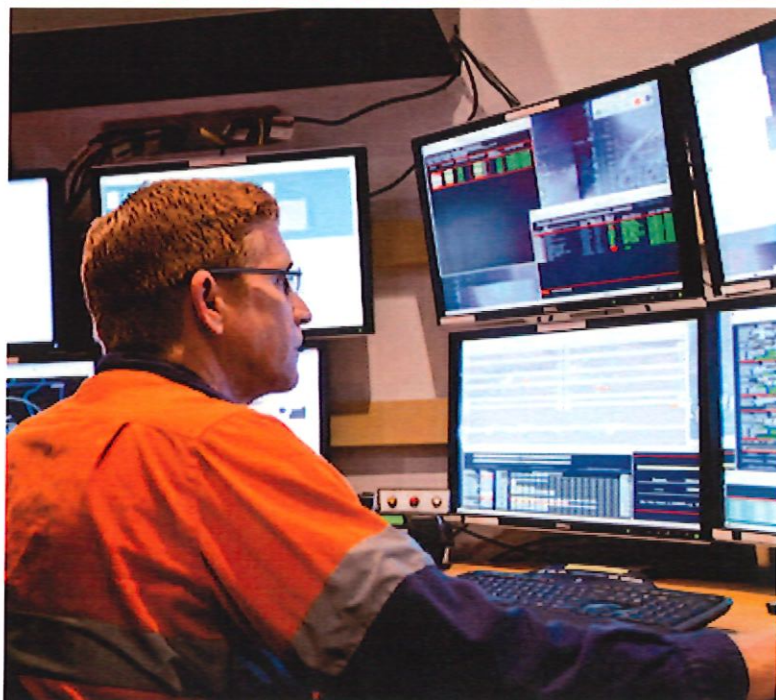

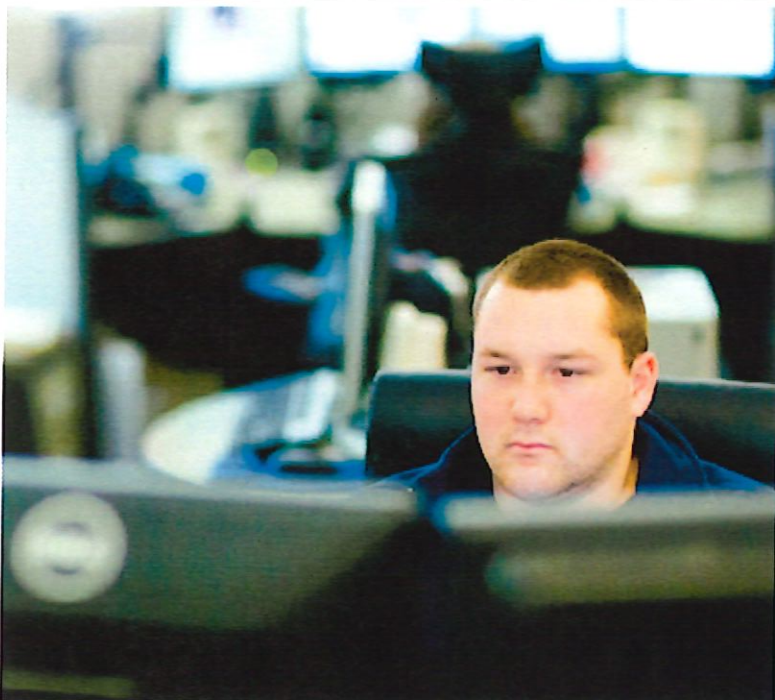

Our request is to be able to update our radio equipment in dispatch and for the firefighters in the amount of \$ 225,000. These radios are under the State of Mississippi contract number 3429. This will give us the ability to have modern equipment that is better suited to withstand the rugged environment that we are in.

Thank you for your consideration in this matter and if you have any questions, please feel free to reach out to me.

Sincerely,

Nick Brooks
Training Officer
