Holmes County Fire Services

September 24, 2025

Madison County Board of Supervisors
Gerald Steen, President
125 W North St
Canton, MS 39046

Dear Supervisor Steen,

I hope this message finds you well. On behalf of the Holmes County Board of Supervisors, I am writing to respectfully request your support in helping us to secure a much needed fire truck for our community.

Holmes County is home to resilient and hardworking residents who rely on our local fire departments for emergency response and protection. Unfortunately, two of our departments are not in operation because of obsolete equipment that no longer runs to meet the demands of fire safety. A donated fire truck would significantly enhance our ability to respond to emergencies, protect lives and property, and serve our citizens with the urgency and care they deserve.

If you can assist or would like to discuss this opportunity further, please contact me directly at (601)201-3805 or via email. I would be grateful for the chance to speak with you and explore how we can partner to strengthen public safety in Holmes County.

Thank you for considering our request. Your support could make a life-saving difference in our community.

Sincerely,

A handwritten signature in blue ink that reads "Gyrone Granderson".
