Re: Heartland Estates V,
Flora, MS

Gentlemen:

Please allow this letter to serve as our request for a design exception from Article III, Item 301.15 of the Subdivision Regulations for Madison County as approved by the Madison County Board of Supervisors on November 1, 2010 (Book 2010 at Page 2832). Specifically, we ask that the Board allow the proposed Ouail Ridge Drive final constructed length to be two thousand five hundred forty (2,540) feet in accordance with the approved preliminary plat. The proposed street shall be private and provide access and service to only ten(10) tracts of land with a minimum size of five(5) acres.

Your consideration of this matter is greatly appreciated. Kindly contact me if additional information is required.

Sincerely,
Flora Land and Timber, LLC
