

UNITED STATES OF AMERICA  
FEDERAL ENERGY REGULATORY COMMISSION

Texas Eastern Transmission, LP

Docket No. CP26-75-000

NOTICE OF APPLICATION AND ESTABLISHING INTERVENTION DEADLINE

(February 6, 2026)

Take notice that on January 23, 2026, Texas Eastern Transmission, LP (Texas Eastern), 915 N. Eldridge Parkway, Suite 1100, Houston, Texas 77079, filed an application under section 7(c) of the Natural Gas Act (NGA) and Part 157 of the Commission's regulations requesting authorization for its Line 31 Expansion Project (Project). The Project consists of: (i) extending Texas Eastern's existing 36-inch-diameter Line 31 by constructing 10.2 miles of new 36-inch-diameter pipeline loop (Line 31 Pipeline Loop) adjacent to Texas Eastern's Lines 14 and 18; (ii) constructing a new pipeline inspection gauge (pig) launcher/receiver, a receiver barrel, a mainline valve (MLV), and two new 30-inch-diameter crossover valves to connect the Line 31 Pipeline Loop to Texas Eastern's Lines 14 and 18; (iii) constructing a new 16-inch-diameter delivery lateral (Line 14-P Lateral) connecting to Lines 14 and 18 and extending southward for approximately 1.6 miles to a terminus at an interconnect with Entergy Mississippi, LLC's (Entergy) proposed Traceview Advanced Power Station (Traceview Power Station); (iv) constructing two sets of pig launcher/receivers for the Line 14-P Lateral; (v) constructing a new compressor station on the Line 14-P Lateral, including three new 1,500 horsepower (hp) natural gas-driven compressor units (Ridgeland Compressor Station); (vi) constructing a new delivery meter station on the Line 14-P Lateral at an interconnect with the proposed Traceview Power Station (Ridgeland M&R Station); and (vii) constructing other related appurtenances, all located in Madison County, Mississippi. The Project will provide up to an additional 125,000 dekatherms per day (Dth/d) of firm incremental natural gas transportation capacity on a segment of Texas Eastern's mainline pipeline system between its existing Kosciusko and Clinton Compressor Stations located in Attala County and Hinds County, Mississippi, respectively, and the Line 14-P Lateral to Entergy's proposed Traceview Power Station. Texas Eastern estimates the total cost of the Project to be \$131,000,000 and proposes a new incremental recourse rate to apply to the Project capacity, all as more fully set forth in the application which is on file with the Commission and open for public inspection.

In addition to publishing the full text of this document in the Federal Register, the Commission provides all interested persons an opportunity to view and/or print the contents of this document via the Internet through the Commission's Home Page

(<http://www.ferc.gov>). From the Commission's Home Page on the Internet, this information is available on eLibrary. The full text of this document is available on eLibrary in PDF and Microsoft Word format for viewing, printing, and/or downloading. To access this document in eLibrary, type the docket number excluding the last three digits of this document in the docket number field.

User assistance is available for eLibrary and the Commission's website during normal business hours from FERC Online Support at (202) 502-6652 (toll free at 1-866-208-3676) or email at [ferconlinesupport@ferc.gov](mailto:ferconlinesupport@ferc.gov), or the Public Reference Room at (202) 502-8371, TTY (202) 502-8659. Email the Public Reference Room at [public.referenceroom@ferc.gov](mailto:public.referenceroom@ferc.gov).

Any questions regarding the proposed project should be directed to Brian Kim, Regulatory Manager, Texas Eastern Transmission, LP, P.O. Box 1642, Houston, Texas 77251, by phone at (713) 627-4059, or by email at [brian.kim@enbridge.com](mailto:brian.kim@enbridge.com).

Pursuant to section 157.9 of the Commission's Rules of Practice and Procedure,<sup>1</sup> within 90 days of this Notice the Commission staff will either: complete its environmental review and place it into the Commission's public record (eLibrary) for this proceeding; or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff's issuance of the final environmental impact statement (FEIS) or environmental assessment (EA) for this proposal. The filing of an EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

## **PUBLIC PARTICIPATION**

There are three ways to become involved in the Commission's review of this project: you can file comments on the project, you can protest the filing, and you can file a motion to intervene in the proceeding. There is no fee or cost for filing comments or intervening. The deadline for filing a motion to intervene is **5:00 pm Eastern Time on February 27, 2026**. How to file protests, motions to intervene, and comments is explained below.

---

<sup>1</sup> 18 C.F.R. § 157.9.

For public inquiries and assistance with making filings such as interventions, comments, or requests for rehearing, contact the Office of Public Participation (OPP) at (202) 502-6595 or [OPP@ferc.gov](mailto:OPP@ferc.gov).

### **Comments**

Any person wishing to comment on the project may do so. Comments may include statements of support or objections, to the project as a whole or specific aspects of the project. The more specific your comments, the more useful they will be.

### **Protests**

Pursuant to sections 157.10(a)(4)<sup>2</sup> and 385.211<sup>3</sup> of the Commission's regulations under the NGA, any person<sup>4</sup> may file a protest to the application. Protests must comply with the requirements specified in section 385.2001<sup>5</sup> of the Commission's regulations. A protest may also serve as a motion to intervene so long as the protestor states it also seeks to be an intervenor.

To ensure that your comments or protests are timely and properly recorded, please submit your comments on or before **5:00 pm Eastern Time on February 27, 2026**.

There are three methods you can use to submit your comments or protests to the Commission. In all instances, please reference the Project docket number **CP26-75-000** in your submission.

- (1) You may file your comments electronically by using the [eComment](#) feature, which is located on the Commission's website at [www.ferc.gov](http://www.ferc.gov) under the link to [Documents and Filings](#). Using eComment is an easy method for interested persons to submit brief, text-only comments on a project;
- (2) You may file your comments or protests electronically by using the [eFiling](#) feature, which is located on the Commission's website ([www.ferc.gov](http://www.ferc.gov)) under the link to [Documents and Filings](#). With eFiling, you can provide

Washington, DC 20426

To file via any other courier:

Debbie-Anne A. Reese, Secretary  
Federal Energy Regulatory Commission  
12225 Wilkins Avenue  
Rockville, Maryland 20852

The Commission encourages electronic filing of comments (options 1 and 2 above) and has eFiling staff available to assist you at (202) 502-8258 or [FercOnlineSupport@ferc.gov](mailto:FercOnlineSupport@ferc.gov).

Persons who comment on the environmental review of this project will be placed on the Commission’s environmental mailing list, and will receive notification when the environmental documents (EA or EIS) are issued for this project and will be notified of meetings associated with the Commission’s environmental review process.

The Commission considers all comments received about the project in determining the appropriate action to be taken. **However, the filing of a comment alone will not serve to make the filer a party to the proceeding.** To become a party, you must intervene in the proceeding. For instructions on how to intervene, see below.

### **Interventions**

Any person, which includes individuals, organizations, businesses, municipalities, and other entities,<sup>6</sup> has the option to file a motion to intervene in this proceeding. Only intervenors have the right to request rehearing of Commission orders issued in this

proceeding and to subsequently challenge the Commission's orders in the U.S. Circuit Courts of Appeal.

To intervene, you must submit a motion to intervene to the Commission in accordance with Rule 214 of the Commission's Rules of Practice and Procedure<sup>7</sup> and the regulations under the NGA<sup>8</sup> by the intervention deadline for the project, which is **5:00 pm Eastern Time on February 27, 2026**. As described further in Rule 214, your motion to intervene must state, to the extent known, your position regarding the proceeding, as well as your interest in the proceeding. For an individual, this could include your status as a landowner, ratepayer, resident of an impacted community, or recreationist. You do not need to have property directly impacted by the project in order to intervene. For more information about motions to intervene, refer to the FERC website at <https://www.ferc.gov/resources/guides/how-to/intervene.asp>.

There are two ways to submit your motion to intervene. In both instances, please reference the Project docket number **CP26-75-000** in your submission.

- (1) You may file your motion to intervene by using the Commission's [eFiling](#) feature, which is located on the Commission's website ([www.ferc.gov](http://www.ferc.gov)) under the link to [Documents and Filings](#). New eFiling users must first create an account by clicking on "[eRegister](#)." You will be asked to select the type of filing you are making; first select "General" and then select "Intervention." The eFiling feature includes a document-less intervention option; for more information, visit <https://www.ferc.gov/docs-filing/efiling/document-less-intervention.pdf>; or
- (2) You can file a paper copy of your motion to intervene, along with three copies, by mailing the documents to the address below. Your motion to intervene must reference the Project docket number **CP26-75-000**.

To file via USPS:  
Debbie-Anne A. Reese, Secretary  
Federal Energy Regulatory Commission

The Commission encourages electronic filing of motions to intervene (option 1 above) and has eFiling staff available to assist you at (202) 502-8258 or [FercOnlineSupport@ferc.gov](mailto:FercOnlineSupport@ferc.gov).

Protests and motions to intervene must be served on the applicant either by mail at: Brian Kim, Regulatory Manager, Texas Eastern Transmission, LP, P.O. Box 1642, Houston, Texas 77251 or by email (with a link to the document) at [brian.kim@enbridge.com](mailto:brian.kim@enbridge.com). Any subsequent submissions by an intervenor must be served on the applicant and all other parties to the proceeding. Contact information for parties can be downloaded from the service list at the eService link on FERC Online. Service can be via email with a link to the document.

All timely, unopposed<sup>9</sup> motions to intervene are automatically granted by operation of Rule 214(c)(1).<sup>10</sup> Motions to intervene that are filed after the intervention deadline are untimely, and may be denied. Any late-filed motion to intervene must show good cause for being late and must explain why the time limitation should be waived and provide justification by reference to factors set forth in Rule 214(d) of the Commission's Rules and Regulations.<sup>11</sup> A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies (paper or electronic) of all documents filed by the applicant and by all other parties.

### **TRACKING THE PROCEEDING**

Throughout the proceeding, additional information about the project will be available from OPP at (202) 502-6595 or on the FERC website at [www.ferc.gov](http://www.ferc.gov) using the "eLibrary" link as described above. The eLibrary link also provides access to the texts of all formal documents issued by the Commission, such as orders, notices, and rulemakings.

In addition, the Commission offers a free service called eSubscription which allows you to keep track of all formal issuances and submittals in specific dockets. This can reduce the amount of time you spend researching proceedings by automatically
