Dear Supervisors,

The Mega Site Alliance Fire Board would like to request an amendment to the budget that was presented during the Supervisor's Board meeting on February 3, 2026. In the original budget, Minor Norman was approved as the Mega Site's Interim Fire Chief at a salary of \$25,000.00 per year with a starting date of May 1, 2026. The Fire Board is now requesting for Minor Norman to start as Fire Chief on March 1, 2026. With Minor's knowledge of the Fire Service, he can greatly assist with the opening of the Mega Site Fire Station and the creation of the Mega Site Fire Department.

Respectfully,

Nathan Bo Jordan
Fire Board Chairman

Andrew Hughes
Fire Board Vice Chairman
