Honorable Gerald Steen
President
Madison County Board of Supervisors
125 West North Street
PO Box 608
Canton, MS 39046

Dear Mr. Steen

Regrettably, I must resign from the position as Madison County’s representative to the future regional commission for the Jackson-Medgar Wiley Evers International Airport. I was selected by the board at its regular meeting in June 2016. Since that time I have suffered medical problems to include cardiac arrest and brain surgery. I simply cannot perform the duties that I envision this position must perform.

I hope the legal problems now being encountered will be completed soon and the new regional commission can proceed. It was truly an honor to be selected and I pray positive outcomes will follow.

Sincerely,

Bob Matthews
