Re: Closing of Bank Account -

In January 2023, the county opened a bank account at Renasant Bank titled \$2.5M HB 1363 (2022). Funds in that account have been spent and the account now has a zero balance. As such, I am requesting permission to close that bank account since the county will not receive additional funds from that house bill.

The chancery clerk and the comptroller seek approval to close the \$2.5M HB 1363 (2022) bank held in Renasant Bank
