Subject: Request for 11-Mill Tax Levy- Valley View Volunteer
Fire Department

Dear Madison County Board of Supervisors,

On behalf of the Valley View Volunteer Fire Department, we are writing to formally request your consideration and approval of an 11-mill tax levy to support the continued operation and advancement of our fire department. This request is for a 2-mill increase, going from 9-mills to 11-mills. On April 20, 2026, the Board of Commissioners of the Valley View Volunteer Fire Department held a meeting and voted on the 11-mill tax levy. A copy of the April 20, 2026, board meeting minutes are attached to this request for your information.

This tax levy will allow us the ability to provide the level of service our community deserves. As our community continues to grow, and the demands on emergency services increases, so do the costs associated with maintaining a safe and effective fire department. For the reasons previously described, we respectfully ask for your support in approving this 11-mill tax levy to ensure that the Valley View Volunteer Fire Department can continue to protect and serve our community.

Thank you for your time, consideration, and continued support of our department. If you have any questions, please contact me at (601) 624-8413.

Sincerely,

Marcus Goodloe
Board President
