Voter Validation

Voter validation is required to vote at the Annual Business Meeting (ABM). All governmental voting representatives who plan to attend the 2026 ABM need to be validated in order to vote on ICC business such as elections, bylaw amendments, member resolutions, etc. View the [Voter Validation Process FAQs](#) page to get more information. Voters must be validated by their primary representative no later than September 19, 2026.

Building Safety Leadership Experience

The [Building Safety Leadership Experience](#) (BSLE) scholarship offers members an exclusive opportunity to connect with fellow ICC members, leaders and stakeholders during the Conference. BSLE participants will attend a series of events where they will gain insights into ICC governance, the Chapter program and Membership Councils as well as explore how membership fosters industry opportunities and drives professional advancement. Participants will receive complimentary Full Access registration and will be reimbursed for transportation plus lodging October 17–22. The 2026 BSLE application period closes June 19, 2026. Click [here](#) to apply.

Special Annual Conference Offer to Non-Members

International Code Council non-members registering for the Full Access Pass are eligible for a free one year ICC Participating membership. For details and a list of exclusive member benefits and services included in this offer, [click here](#). Membership begins January 2027. (Please note, this free membership offer is not redeemable for cash value and does not include a free code book.)
