Subject: E-911 Fund Request for Radio System Redundancy Enhancements

Dear Members of the Board and Mr. Jones,

In our ongoing efforts to enhance the resilience and reliability of our radio communication infrastructure, the Ridgeland Police Department respectfully requests funding in the amount of \$73,560 from the E-911 fund.

This request is part of our broader initiative to build redundancy into our existing radio system, ensuring uninterrupted communication capabilities for public safety personnel across Madison County. The requested funds will be allocated for the procurement and installation of the following components:

- (2) Motorola Consolette Radios
- (1) Fiber Switch
- Fiber buildout between Site 57 (Richmond Grove) and the Ridgeland Police Department

These additions will significantly strengthen our communication backbone, providing critical failover capabilities in the event of primary system disruptions. We sincerely appreciate your continued partnership and support of the Ridgeland Police Department. Thank you for your time and thoughtful consideration of this request.

Respectfully,

Brian Myers
Chief of Police
