Re: Request for One-Year Extension of Special Exception for Surface Mining

Dear Members of the Madison County Board of Supervisors:

On behalf of **Dirt Dreams, LLC**, I respectfully request a **one-year extension** of the Special Exception for our surface mining operation located near the southeast corner of Highway 17 and Pat Cobb Road, Madison County, Mississippi, as identified in the original Special Exception application.

Dirt Dreams, LLC is requesting this extension to allow us to **continue mining operations** under the existing Special Exception. While mining activities have progressed, additional time is needed to continue extracting material from the approved mining area in a safe, orderly, and responsible manner.

Throughout this project, Dirt Dreams, LLC has remained committed to complying with all applicable Madison County ordinances and the requirements of the Mississippi Department of Environmental Quality. We will continue to operate responsibly and in accordance with all applicable laws and regulations.

We respectfully request that the Madison County Board of Supervisors grant a **one-year extension** of the existing Special Exception so that Dirt Dreams, LLC may continue its mining operations under the same terms and conditions previously approved.

Thank you for your consideration of this request. We appreciate your time and the Board's continued support. If any additional information is needed, I would be pleased to provide it or appear before the Board to answer any questions.

Respectfully submitted,

DIRT DREAMS, LLC
