Mr. Hendricks wishes to construct a barn/storage facility on property zoned R-1 Residential. Madison County Zoning Ordinance requires a primary structure in this district before an accessory building can be built. Mr. Hendricks has plans to build a home on this site, and has requested a building permit for this structure to store materials and tools during construction.

Dear Mr. Sellars,

This letter is in reference to my property at Whiddon and Allenwood.

- 392 Whiddon Rd.
- 245 Allenwood Dr. (Both in Canton)

My property is zoned for residential. I am requesting a special permit to build a shed for my building materials. I plan on building my own home on the property and need this shed to protect my tools and building supplies.

Respectfully,

A handwritten signature in black ink, appearing to read "Tommy Hendricks", with a long horizontal flourish extending to the right.
