Ms. Vickey Miller

Madison County

Post Office Box 608

Canton, Mississippi 39046

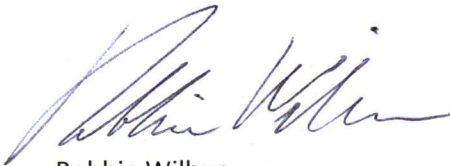

Dear Ms. Miller:

Enclosed please find a petition from residents of Lost Rabbit to Madison County asking to be added to the recycling services provided by the county. There are approximately 60 occupied residents, so I have gathered 32 signatures.

Your assistance in this matter is greatly appreciated. We have not had access to recycling for more than seven years, and the residents are fully supportive of removing recyclable items from the waste stream.

If you need to contact me, my email is [rwilbur39702@hotmail.com](mailto:rwilbur39702@hotmail.com) or by phone at 601-624-3455.  
Thanks for your help!

Sincerely,

A handwritten signature in cursive script, appearing to read "Robbie Wilbur".
