**Re: Application For Re-Zoning  
Public Hearing March 3, 2014  
Board Meeting**

Dear Supervisor Banks:

Certain confusion has arisen regarding property lines describing the eight (8) acres sought to be re-zoned. We believe that the matter should be re-set for hearing. Please remove the re-zoning hearing from the agenda for March 3, 2014. We shall clear up any ambiguities in the use status and keep Mr. Brad Sellers informed of such so he can bring it before the Board in the near future.

Most Respectfully,

  
Matthew Wade Gilmer,  
Applicant For Re-Zoning
