RE: Request for Donation of Crown Victoria vehicle for District Use

Dear Mr. Steen:

At the District meeting on March 11, 2014, a request was put forward by Chief Wilkerson that the District request one of the Sheriff Department's cars that are being decommissioned. He stated that a captain for the Southwest Volunteer Fire Department, Captain Ben Hawthorn, was a paramedic and could use the vehicle when responding to calls. Minimally, it is expected to shave 15 to 30 minutes off response time to fire calls and accidents since all the medical and monitoring equipment can be stored in the car thereby cutting out a trip to the station first to get equipment.

We, the Southwest Madison County Fire Protection District Board, respectfully request that one of the Crown Victoria's be donated to the District to enhance our ability to respond in a timely manner and to improve our service to the community. If you have any questions concerning this, please do not hesitate to contact me at 601-853-0408.

Sincerely,

Southwest Madison County Fire Protection District

Dear Board of Supervisors

The Canton Police Department is requesting your assistance in the rebuilding of our fleet. The safety of our officers is one of our priorities at the Canton Police Department and with the donation of your previous fleet, we can add to that safety with dependable vehicles. So I look forward to your assistance in this matter and I would greatly appreciate your aid in assisting a fellow Madison County law enforcement agency.

Re: Automobile Transfer

Dear Mark:

Please find this letter as a follow up to our telephone conversations regarding the transfer of two surplus automobiles to the Madison County District Attorney's Office. The two automobiles we discussed were both Dodge Charger ending with VIN numbers 7943 and 7869. The automobiles are currently the property of the Madison County Sheriff's Department and Sheriff Tucker has graciously agreed to transfer them to the Madison County District Attorney's Office to be used by my office.

Thank you for all your help on this matter and if you should have any questions, please give me a call.

Sincerely,

A handwritten signature in blue ink that reads "Michael". The signature is stylized with a large, looping initial "M" that extends upwards and to the left.
