Dear Ms. Parker,

Per conversation with Ira Thorn, Steel Technologies, LLC is submitting an amended request to claim the Ad Valorem Tax Exemption for investments being made at our Mississippi facility located at 576 Church Road in Madison. The amendment serves to include the original cost of the equipment that was erroneously left off of the original application. Operating in Mississippi since June 2, 2002, our company manufactures flat-rolled steel into products that meet the exact specifications of customers in a wide range of industries.

The project at our Madison facility involves the installation of an 800 ton press, moved from our Flint, MI facility in August 2012, to support increased parts orders from Nissan. The press is capable of producing parts, blanks, in three forms; rectangular, configured, and trap. To support the operations of the press there are many ancillary pieces of equipment that are required to be purchased. These include an Air Compressor, Boiler System, Safety Guarding, Static Lumber, and other pieces of machinery and equipment. Please see attachment for a more detailed description of the capitalized costs associated with the project.

The cumulative capitalized cost of this equipment and press relocation will exceed \$1 million. Specifically, the amount of capitalized cost is \$7,638,255.

This investment allows Steel Technologies, LLC to support the increased growth of Nissan well into the future.

Thank you for your consideration of our project.

Sincerely,

Steven Nosil  
Vice President/Accounting

APPLICATION OF M-TEK, INC. FOR EXEMPTION FROM AD VALOREM  
TAXES FOR A TEN (10) YEAR PERIOD AS AUTHORIZED BY SECTION  
27-31-105 OF THE MISSISSIPPI CODE OF 1972, AS AMENDED.

TO THE HONORABLE BOARD OF SUPERVISORS OF MADISON COUNTY,  
MISSISSIPPI:

Comes now M-Tek, Inc. (the "Applicant") and files this Application in triplicate for exemption from ad valorem taxation, except ad valorem taxes levied for school district purposes ("school district taxes") and the "mandated levies" described in Section 27-39-329 of the Mississippi Code of 1972, as amended (the "Code"), and respectfully makes the following representations unto the Honorable Board of Supervisors of Madison County, Mississippi (the "Board") as follows:

1. Applicant is a corporation organized in Tennessee, qualified to do business in the State of Mississippi, and is currently engaged in business activities in Madison County, Mississippi.

2. Prior to February 22, 2007, Applicant was the parent company of M-Tek Mississippi, Inc., a Mississippi corporation which previously owned and operated all the project assets in Mississippi. On February 22, 2007, M-Tek Mississippi, Inc. was merged into Applicant, with Applicant as the surviving entity. Hereafter, "Applicant" shall be deemed to refer to M-Tek Mississippi, Inc. when referencing events occurring prior to February 22, 2007, and to M-Tek, Inc. when referencing events occurring on or after February 22, 2007.

3. In order to induce Applicant to locate its operations in Madison County, Mississippi, the Board and the Madison County Economic Development Authority issued a commitment letter to Applicant on November 6, 2001, wherein the Board stated that it was "committed to providing any and all tax exemptions, to your company, as allowed by Mississippi law." A copy of this letter is attached hereto as Exhibit "A".

4. The intent underlying the aforementioned commitment letter was subsequently embodied within a Resolution of Intent dated June 21, 2002, wherein the Board assured Applicant that it would grant all applicable ad valorem tax exemptions for which Applicant

might qualify, including exemptions permitted under Code Section 27-31-105 with respect to future expansions such as that at issue herein. A copy of this Resolution of Intent is attached hereto as Exhibit "B".

5. As further inducement for Nissan suppliers to locate their operations in the County, the Board entered into a Memorandum of Understanding dated November 8, 2000, whereby the Board agreed to extend all applicable ad valorem tax exemptions to those Nissan suppliers. Specifically, Section 1.3(d)(vii) of the Memorandum of Understanding, the relevant portion of which is attached hereto as Exhibit "C", provided as follows:

Tax Exemptions for Suppliers. The County agrees to approve ad valorem tax exemptions under current law for suppliers of Nissan for periods of ten (10) years upon the submission by the suppliers of proper and timely applications under Mississippi law. Such agreement to approve supplier ad valorem tax exemptions shall be for a period of twenty (20) years from the Effective Date.

6. Applicant is now operating a motor vehicle interior parts manufacturing facility (the "Facility") at the Central Mississippi Industrial Center, 435 Church Road, within Madison County, Mississippi, to supply the nearby Nissan assembly plant.

7. The Facility qualifies as a "manufacturing or other industrial enterprise of public utility" within the meaning of Code Section 27-31-105 and related Mississippi statutes.

8. The Facility was originally completed (within the meaning of the applicable statutes of the State of Mississippi) on December 1, 2003, and in 2004 the Board granted the Applicant a ten (10) year ad valorem exemption pursuant to Code Section 27-31-101 as well as Code Sections 57-10-255 and/or 57-10-439(2).

9. In 2013, Applicant expanded the Facility by making certain improvements to the real property on which the Facility is located and by replacing and upgrading existing machinery and equipment and adding new machinery and equipment and other tangible personal property (collectively, the "Expansion"). The Expansion was conducted throughout 2013 as the new real improvements were completed and new machinery, equipment and other tangible personal property was acquired or transferred to the Facility and placed into service.

10. In 2013, twenty-three (23) new jobs were added at the Facility in connection with the Expansion. Following the Expansion, the Facility currently employs approximately eight hundred thirteen (813) employees.

11. This Application seeks the exemption of all real and tangible personal property (other than tagged over-the-road motor vehicles) associated with the Expansion that is used in, or

necessary to, the operation of the Facility, including but not limited to all leased property (the "Expansion Property"), as shown on Exhibit "D" attached hereto. The original cost of all Expansion Property is \$1,317,955.41.

12. All of the Expansion Property is used in connection with and is necessary to the operation of the Facility, and is currently eligible for exemption pursuant to Code Section 27-31-105 (the "Expansion Exemption") from all ad valorem taxation, except school district taxes and the "mandated levies" described in Code Section 27-39-329.

13. The Expansion Exemption should be granted with respect to the Expansion Property for a ten (10) year period beginning on January 1, 2014.

#### PRAYER

WHEREFORE, the Applicant prays that the Board enter the following findings and take the following actions:

1. That the Applicant has in fact added to and expanded a new industrial enterprise of public utility within the meaning of Code Section 27-31-105;

2. That the Board has previously assured Applicant that the Board would grant all applicable ad valorem tax exemptions, including the exemption for expansions permitted under Code Section 27-31-105, as evidenced by the Commitment Letter attached hereto as Exhibit "A", the Resolution of Intent attached hereto as Exhibit "B", and the Nissan Memorandum of Understanding attached hereto as Exhibit "C".

3. That all expenditures shown on Exhibit "D" attached hereto are used in connection with and are necessary to the operation of the Facility;

4. That the Expansion was completed during 2013 within the meaning of the applicable laws of Mississippi;

5. That the Applicant should be granted an exemption, under Code Section 27-31-105, from ad valorem taxation, except school district taxes and the "mandated levies" described in Code Section 27-39-329, as provided by law, for a ten (10) year period beginning on January 1, 2014, for the Expansion Property;

6. That the Board should approve this Application by a Resolution spread upon its minutes, declaring that the Expansion Property described herein shall be exempt from all ad valorem taxation, except school district taxes and the "mandated levies" described in Code Section 27-39-329, for a ten (10) year period beginning on January 1, 2014; and,

7. That the Board should forward the original Application and a certified transcript of such approval to the Mississippi Department of Revenue and, upon approval of this Application by the Mississippi Department of Revenue and the issuance of its certificate of approval, should enter a Final Order on its minutes granting the prayed for Expansion Exemption and notify the County Tax Assessor of such Expansion Exemption, obtain a certificate of the County Tax Assessor verifying the status of said property as non-taxable on the appropriate tax rolls, and file a copy of the Final Order with the Mississippi Department of Revenue.

4. The Project constitutes an "economic development project" and an "industrial enterprise," as such terms are used in Sections 57-10-401(f) and 57-10-439(2) of the RED Act.
5. The Mississippi Legislature has, in order to advance the purposes of industrial and economic development of Mississippi, provided in Section 57-10-439(2) of the RED Act, for the exemption from ad valorem taxation, other than ad valorem taxes levied for school district purposes, of all projects financed by the proceeds from the bonds pursuant to the RED Act.

6. Pursuant to the provisions of the RED Act, the Company has requested the Mississippi Development Authority ("MDA"), acting for and on behalf of the State of Mississippi, through the Mississippi Business Finance Corporation ("MBFC"), to approve the issuance of taxable Industrial Development Revenue Bonds (the "Bonds") in order to finance the acquisition, construction and equipping of the Project.

7. In order to induce the Company to proceed with the Project and create new jobs in Madison County, the County should indicate its intent to approve certain of the tax benefits referenced in Section 57-10-439(2) of the RED Act and certain tax incentives in the form of certain exemptions on ad valorem real and personal property taxes (the "Taxes"), with such inducements and commitments (the "Inducements") being summarized and contain herein.

8. The Inducements will play a major role in the decision to construct and equip the Company's new Project in Madison County.

9. The Board is authorized and empowered by the provisions of Title 27, Chapter 31, Sections 7, 53, 101 and 105 of the Mississippi Code of 1972, as amended (the "Code"), to grant certain exemptions (the "Exemptions") from Taxes to the Company with respect to certain manufactured products, including certain personal property destined for shipment outside of Mississippi, and the establishment and expansion of a new industrial enterprise within the County.

10. The Board is authorized and empowered by the provisions of Code Section 57-75-35 to enter into an agreement with an enterprise operating a Major Capital Project providing that the County will agree in advance to approve any request for exemption from ad valorem taxes submitted by a supplier of such enterprise in a manner provided by law and that any such exemption shall be for a period of ten (10) years.

11. Pursuant to a Memorandum of Understanding among Nissan, the County, the State of Mississippi and other parties dated as of November 8, 2000, the County, acting through the Board, agreed to approve ad valorem tax exemptions for suppliers of Nissan for periods of ten (10) years.

12. The Company requests a Free Port Warehouse Exemption pursuant to Code Sections 27-31-51 *et. seq.*, which only covers inventory designated for shipment out-of-state, for the maximum term permitted by law in order to cover potential shipments to other motor vehicle plants located outside of Mississippi.

13. The Company wishes to obtain satisfactory assurances from the County that the County will, upon proper application and proof of qualification being filed thereof with

the County by the Company, grant such Exemptions, for the maximum terms permitted by law.

14. The maximum terms permitted by law are ten (10) years for the tax exemptions authorized under Code Sections 27-31-7, 27-31-101 and 27-31-105 and an unlimited period for the Free Port Warehouse Exemption under Code Sections 27-31-51 *et seq.*

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD AS FOLLOWS:

SECTION 1. The Board hereby indicates its intent that, pursuant to Section 57-10-439 of the RED Act, all mortgages or deeds of trust executed as security for the Bonds, all lease or purchase agreements made pursuant to the provisions of the RED Act, all purchases required to establish the Project financed with proceeds of the Bonds, and all projects and the revenue derived therefrom from any lease thereof shall be exempt from all taxation in the State of Mississippi, including, but not limited to, all sales and use taxes on such purchases but excluding the contractors' tax imposed by Code Section 27-65-21, the Mississippi income tax levied under Chapter 7, Title 27, Mississippi Code of 1972, and ad valorem taxes levied for school district purposes.

SECTION 2. Acting for and on behalf of the County and by virtue of such authority as may now or hereafter be conferred upon it by the Statutes and by any other applicable laws of the State of Mississippi, in consideration of the above premises and in order to provide certain ad valorem property tax incentives, this Board does hereby declare its intention and agreement to grant the Exemptions, for the maximum terms allowed under the applicable statutes, upon the timely filing by the Company with the Board of proper and complete applications.

SECTION 3. With the exception of the Free Port Warehouse Exemption authorized under Section 27-31-51 *et seq.*, the Exemptions shall not provide an exemption from school district taxes.

SECTION 4. The Board intends that the approval provided in Section 1 above constitutes the approval of the appropriate local taxing authority as required by Section 57-10-439(2) of the RED Act.

SECTION 5. The Chancery Clerk be, and is hereby directed to spread a copy of this Resolution on the minutes of this Board and to forward a certified copy of this resolution to the MDA.
