Mr. Banks,
I had a claim come in for Virillia Rd. I submitted it to the insurance company because it was over threshold of 1000.00. The insurance company denied it because it is a state-aide road and with the laws of the state-aide roads protects us. I know that you wanted these claims on Virillia Rd. paid. The claimant does want to appeal the insurance denial. My question to you is do you want me to go ahead and put his claim on consent agenda or do you want him to go ahead and go through regular appeal procedures?
