AHOA Neighbors:

At the meeting last Monday Tiffany volunteered to pursue getting the Association on a recycling program. She made a few calls and was told she needed to get 75% of the homeowners to sign up saying they would be in favor of the recycling program. Please find attached a form for you to fill out. They noted they needed to get the name, address & phone number of the homeowners along with your signature for approval. Tiffany is going to place a copy of the form in everyone's mailbox to fill out. Please fill out the form and drop it in our mailbox or you can email me the completed and signed form if you like. My email is [ebuss@tannbrownruss.com](mailto:ebuss@tannbrownruss.com) Thanks for all your help.
