It shall apply to all assistance funds provided by or through the State to the Applicant as a result of the above-referred disaster.

2. The Applicant will provide all necessary financial and managerial resources to meet the terms and conditions of receiving federal and state disaster assistance.
3. The Applicant will use disaster assistance funds solely for the purpose for which these funds are provided and as approved by the Governor's Authorized Representative.
4. The Applicant is responsible for all costs determined to be ineligible or unreasonable by FEMA and/or MEMA. 5. The Applicant is aware of and shall comply with cost-sharing requirements for Federal and State assistance. While the cost share is subject to change depending on the severity of a disaster, the minimum Federal cost share is 75 percent of the eligible costs. The normal cost share is 75% Federal and the non-federal share is split equally by the State and local. The exception is with PNPs who are responsible for the entire 25% non-federal share.
6. The Applicant is aware that limited funding, which requires cost sharing, may be made available for mitigation of future damages.
7. All audit reports should be forwarded to the Governor's Authorized Representative, Attention: Public Assistance.
10. The Applicant will give state and federal agencies designated by the Governor's Authorized Representative, access to and the right to examine all records and documents related to use of disaster assistance funds.

11. The Applicant will return to the State, within thirty (30) days of such request by the Governor's Authorized Representative, any advance funds which are not supported by audit or other federal or state review of documentation maintained by the Applicant.

LOCAL APPLICANT'S AGENT

Each city or county included in a Presidential disaster declaration under Public Law 93-228 and Public Law 100-707 may be eligible for federal assistance to repair or replace damaged public facilities (such as debris removal, evacuation, sand bagging, etc.). When this happens, the local government must designate an Applicant's Agent who will be authorized by the City Council/Board of Supervisors to represent the city or county with federal and state agencies managing these public assistance programs.

Much of the work of an Applicant's Agent will start as soon as the disaster occurs. To save time in the first few days following a disaster, MEMA recommends that the Applicant's Agent be designated BEFOREHAND. By doing this, the city or county will give the person selected a chance to become familiar with these programs and to establish local procedures and systems before the disaster occurs.

The City Council/County Board should be particularly selective in naming an Applicant Agent. The designation must be made by the action of the full body and should be recorded in the official record as any other ordinance or resolution would be. The City Council/County Board should carefully select a person who is able to perform the duties that will be assigned.

The person selected must also be able to spend the major amount of time required to do the job. Once the Applicant's Agent is selected the City Council or County Board must give their support and help.

In simplest terms, the Applicant's Agent will represent the local government in managing the city or county applications for federal disaster assistance funds. The agent will be the contact person for Federal and State agencies dealing with the disaster programs. This person will be responsible for managing federal funds provided for the community, for following state and local bid and contract procedures, for maintaining auditable records and for seeing that all work is accomplished before the completion dates are reached.

The position of Applicant's Agent is highly responsible and requires a good deal of time and strong managerial skills. The person selected must have the full confidence of the City Council/County Board and must be given sufficient authority to take the steps required under Federal regulations.

Some counties have appointed the Chancery Clerk, County Administrator, County Engineer, or Emergency Management Director, City Manager or others. The choice is entirely up to the governing body.
