RE: Proposal to Amend Solid Waste Management Plan

Dear Sirs and Madams:

The Hinds County Board of Supervisors has received a request for amendment to the local solid waste management plan from the City of Jackson to establish a land application site on land within Hinds County. A copy of the application and public notice is attached for your review.

You are being notified as an adjacent county pursuant to section 17-17-227 of the Mississippi Code of 1972. If you have questions, please contact the Public Works Department.

Sincerely,

Carl Frelix, CFM, PWLF
Public Works Director

RE: City of Jackson
Land Permit Application- Traxler's Property
Section 26, 27, and 35, T4N, R3W- Hinds County, Mississippi
Project No: AEC 029.11 (Revised)

Dear Mr. Frelix:

The applicant request form has been revised to reflect modifications of Item # 15 (page 2). The authorized representative has signed this request form. This form will also be sent to the Solid Waste Policy, Planning and Grants Branch of the Mississippi Department of Environmental Quality. The City of Jackson is applying for a land application permit to disc in biosolids on one landfarm of 70 acres of The Traxler's property in Hinds County, Mississippi. The attached form is the "Applicant Request Form" to amend the local solid waste management plan for a new land application site along with a topographic map of the landfarm.

Thank you. If you have any questions, please call me at 601-362-1788.

Sincerely,
ADVANCED ENVIRONMENTAL CONSULTANTS, INC.

APPLICANT REQUEST FORM FOR AMENDMENT TO THE LOCAL SOLID WASTE MANAGEMENT PLAN

This form should be completed by any persons seeking to locate a new/expanded solid waste management facility or to modify the existing operations or service area of a facility. The completed form should be submitted to the appropriate local government officials for consideration as a proposed amendment to the approved local plan. Be advised that local officials may request or require additional information in order to assist in their decision-making process. A copy of this request form should also be forwarded to the MDEQ at the address shown on the second page of this form at the time it is submitted to the local government.

1. Name of Applicant: CITY OF JACKSON

2. Address of Applicant: 200 S PRESIDENT STREET

City: JACKSON State: MS Zip: 39201

3. Contact Person: WANDA KNOTTS Telephone No.: 601-960-0000

4. Name of Facility: TRAXLER LAND APPLICATION PROPERTY

5. Indicate type of facility:

<input type="checkbox"/> Municipal Solid Waste Landfill <input type="checkbox"/> Industrial/Other Landfill <input type="checkbox"/> Class I Rubbish Site <input type="checkbox"/> Class II Rubbish Site <input type="checkbox"/> Waste Tire Facility (describe) _____ <input type="checkbox"/> Other facility (describe) _____	<input type="checkbox"/> Transfer Station <input type="checkbox"/> Processing Facility <input type="checkbox"/> Composting Facility <input checked="" type="checkbox"/> Land Application Site(s)
---	---

6. Will the proposed facility be Commercial or Non-Commercial? COMMERICAL
 [Note: A commercial facility means any facility which manages solid waste for compensation or which accepts solid waste from more than one generator not owned by the facility owner.]

7. Physical address of facility: Lebanon Pinegrove Rd.

8. Section: 26,27 & 35 Township: 4N Range: 3W County: HINDS

9. Attach topographic quadrangle map depicting the location of the proposed site separately.

10. Name of Landowner: Thomas V & Winnie A Traxler

Address: 1540 Kay Broadwater Rd. Utica, MS 39175

Telephone No. of Landowner: 601-885-9905 or 601-940-7497

11. Request Type: New Facility Expansion of Existing Facility
 Other Modification (describe) _____

12. Proposed size of the facility: (a) proposed disposal/waste management in area (in acres): 70
 (b) total property area (in acres): 159

13. Describe the wastes to be received at the site. If wastes are to be received from a single or limited source(s), please include the industry's name(s) or other source's name(s): The wastes to be land applied are residuals or biosolids removed from the City of Jackson's wastewater treatment plants. The biosolids are the result of primary and secondary wastewater treatment and aerobic digestion. Savanna and Trahon WWTP

APPLICANT REQUEST FORM (continued)

14. Provide a description of the proposed service area. Generally, the service area should be described either in terms of the cities, counties, or states from which the wastes will originate or by some radius (in miles) from the facility boundary or another selected boundary (e.g. county line): The wastewater sludges produced from Savannah and Trahon WWTP will be land applied to this landfarm.

15. Does the applicant currently own or operate any other solid waste management facilities within the proposed service area? Yes No If yes, what are the name and types of facilities and their locations: Berry Land App. Site, Biosolids Beneficial App. Site, Holmes Land App. Site, Byram Landfarm, Mason Land App. Site, Sullivan Land App. Site, Thomas Land App. Site, and Varnado Land App. Site, Hinds County

16. According to Miss. Code Ann. Section 17-17-227, each local solid waste management plan must include a determination of need by the local government submitting the plan for any proposed new or expanded solid waste management facility. To assist in this determination, a demonstration of need should generally be prepared by the applicant and provided to the local government for review and consideration. The demonstration should be attached to this form as a separate sheet and must include each of the following items:

- i. Verification that the proposed facility meets needs identified in the approved local nonhazardous solid waste management plan which shall take into account quantities of municipal solid waste generated and the design capacities of existing facilities;
- ii. Certification that the proposed facility complies with local land use and zoning requirements, if any;
- iii. Demonstration, to the extent possible, that the operation of the proposed facility will not negatively impact the waste reduction strategy of the local government submitting the plan;
- iv. Certification that the proposed service area of the proposed facility is consistent with the local nonhazardous solid waste management plan; and
- v. A description of the extent to which the proposed facility is needed to replace other facilities.

17. Certification

To the best of my knowledge and belief, I certify that the information provided in this application, including attachments, is true, accurate, and correct. I further certify that I possess the authority to request this solid waste plan amendment.

Telephone No. (601) 857-8732

Public Notice Start Date: March 27, 2014

Hinds County Contact: Carl Frelix, CFM, PWLF, Public Works Director

Deadline for Comment: April 26, 2014

The Hinds County Board of Supervisor's is considering a City of Jackson's (200 S. President Street, Jackson, MS 39201) application to amend the local solid waste management plan for a land application site. The land application involves disking in biosolids on a proposed land farm of 70 acres of property located north of Lebanon Pine Grove Road and immediately southeast of Seaton Road in Hinds County. The site is located in section 26, 27 & 35. Township 4N Range 3W. The waste to be land applied is residuals or biosolids removed from the City of Jackson's wastewater treatment plants.

Persons wishing to comment are invited to submit comments in writing to Mr. Carl Frelix at the Hinds County Public Works Department at the address shown above, no later than April 26, 2014. All comments received by this date will be considered in the formulation of final determinations regarding the application to amend the local solid waste management plan for a land application site. A public hearing will be held at the Hinds County Board of Supervisors' meeting in the board room at the Chancery Building (316 S. President St. Jackson, MS 39201) on May 5, 2014 at 9:00 am.

A copy of the draft application is available at the Hinds County Public Works Department (900 E. Main Street Raymond, Mississippi 39154) or by writing or calling Carl Frelix at the above Hinds County Public Works Department's address and telephone number.

Please provide the above information to the attention of persons whom you know will be interested.
