**RE: City of Canton's 2014 Road Plan**

Dear Mr. Banks:

The City of Canton adopted its 2014 Road Plan on September 26, 2014. *Please see attachment.* Accordingly, the City of Canton respectfully requests financial assistance from the Madison County Board of Supervisors with the City of Canton's newly adopted Road Plan. In addition, the City of Canton is requesting a 100% match from the County on West Fulton Street. West Fulton Street is a major thoroughfare stretching from Hwy. 22 to Hwy. 51 and has multiple business situated along the entire stretch of road. Moreover, West Fulton Street has a high volume of traffic, including heavy trucks. West Fulton is also a traffic collector, funneling traffic to minor city streets.

Thank you in advance for your consideration in this matter, and we look forward to your response. Please call our office if there are any questions.

Sincerely,

Arnel D. Bolden  
**Mayor, City of Canton**
