8. It has now become necessary to make provision for the preparation, execution and issuance of said Bonds.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY, ACTING FOR AND ON BEHALF OF THE COUNTY, AS FOLLOWS:

SECTION 1. In consideration of the purchase and acceptance of any and all of the Bonds by those who shall hold the same from time to time, this Bond Resolution shall constitute a contract between the County and the Registered Owners from time to time of the Bonds. The pledge made herein and the covenants and agreements herein set forth to be performed on behalf of the County for the benefit of the Registered Owners shall be for the equal benefit, protection and security of the Registered Owners of any and all of the Bonds, all of which, regardless of the time or times of their authentication and delivery or maturity, shall be of equal rank without preference, priority or distinction.

SECTION 2. (a) The Bonds shall initially be issued pursuant to a Book-Entry System administered by the Securities Depository with no physical distribution of Bond certificates to be made except as provided in this Section 2. Any provision of this Bond Resolution or the Bonds requiring physical delivery of the Bonds shall, with respect to any Bonds held under the Book-Entry System, be deemed to be satisfied by a notation on the registration records maintained by the Paying Agent that such Bonds are subject to the Book-Entry System.

(b) So long as a Book-Entry System is being used, one Bond in the aggregate principal amount of each separate maturity (whether serially or by term) of the Bonds and registered in the name of the Securities Depository, the Securities Depository Nominee and the DTC participants and Indirect Participants will evidence beneficial ownership of the Bonds in authorized denominations, with transfers of ownership effected on the records of the Securities Depository, the DTC participants and the Indirect Participants pursuant to rules and procedures established by the Securities Depository, the DTC participants and the Indirect Participants. The principal of and any premium on each Bond shall be payable to the Securities Depository Nominee or any other person appearing on the registration records as the Registered Owner of such Bond or its registered assigns or legal representative at the principal office of the Paying Agent. So long as the Book-Entry System is in effect, the Securities Depository will be recognized as the Holder of the Bonds for all purposes. Transfer of principal, interest and any premium payments or notices to DTC Participants and Indirect Participants will be the responsibility of the Securities Depository and transfer of principal, interest and any premium payments or notices to Beneficial Owners will be the responsibility of the DTC participants and Indirect Participants. No other party will be responsible or liable for such transfers of payments or notices or for maintaining, supervising or reviewing such records maintained by the Securities Depository, the DTC participants or the Indirect Participants. While the Securities Depository Nominee or the Securities Depository, as the case may be, is the Registered Owner of the Bonds, notwithstanding any other provisions set forth herein, payments of principal of, redemption premium, if any, and interest on the Bonds shall be made to the Securities Depository Nominee or the Securities Depository, as the case may be, by wire transfer in immediately available funds to the account of such Holder, without notice to or the consent of the Beneficial Owners, the Paying Agent, with the consent of the County, and the Securities Depository may agree in writing to make payments of principal and interest in a manner different from that set out herein. In such event, the Paying Agent shall make payments with respect to the Bonds in such manner as if set forth herein.

(1) The County may at any time elect (i) to provide for the replacement of any Securities Depository as the depository for the Bonds with another qualified Securities Depository, or (ii) to discontinue the maintenance of the Bonds under a Book-Entry System. In such event, and upon being notified by the County of such election, the Paying Agent shall give 30 days' prior notice of such election to the Securities Depository (or such fewer number of days as shall be acceptable to such Securities Depository).

(2) Upon the discontinuance of the maintenance of the Bonds under a Book-Entry System, the County will cause Bonds to be issued directly to the Beneficial Owners of Bonds, or their designees, as further described below. In such event, the Paying Agent shall make provisions to notify DTC participants and the Beneficial Owners of the Bonds, by mailing an appropriate

notice to the Securities Depository, or by other means deemed appropriate by the Paying Agent in its discretion, that Bonds will be directly issued to the Beneficial Owners of Bonds as of a date set forth in such notice, which shall be a date at least 10 days after the date of mailing of such notice (or such fewer number of days as shall be acceptable to the Securities Depository).

(3) In the event that Bonds are to be issued to the Beneficial Owners of the Bonds, or their designees, the County shall, at its expense, promptly have prepared Bonds in certificated form registered in the names of the Beneficial Owners of Bonds shown on the records of the DTC participants provided to the Paying Agent, as of the date set forth in the notice described above. Bonds issued to the Beneficial Owners, or their designees, shall be in fully registered form substantially in the form set forth in Section 7 hereof.

(4) If any Securities Depository is replaced as the depository for the Bonds with another qualified Securities Depository, the County will issue to the replacement Securities Depository Bonds substantially in the form set forth herein, registered in the name of such replacement Securities Depository.

(c) Each Securities Depository and the DTC participants, the Indirect Participants and the Beneficial Owners of the Bonds, by their acceptance of the Bonds, agree that the County and the Paying Agent shall have no liability for the failure of any Securities Depository to perform its obligation to any DTC participant, Indirect Participant or other nominee of any Beneficial Owner of any Bonds to perform any obligation that such DTC participant, Indirect Participant or other nominee may incur to any Beneficial Owner of the Bonds.

(d) Notwithstanding any other provision of this Bond Resolution, on or prior to the date of issuance of the Bonds, the County shall have executed and delivered to the initial Securities Depository the Letter of Representations governing various matters relating to the Securities Depository and its activities pertaining to the Bonds. The terms and provisions of the Letter of Representations are incorporated herein by reference and in the event there shall exist any inconsistency between the substantive provisions of the Letter of Representations and any provisions of this Bond Resolution, then, for as long as the initial Securities Depository shall serve with respect to the Bonds, the terms of the Letter of Representations shall govern.

(e) Notwithstanding any provision in this Bond Resolution to the contrary, at all times in which the Book-Entry System is in effect, any references to physical delivery of a Bond shall not be required.

SECTION 3. The Bonds are hereby authorized and ordered to be prepared and issued in the principal amount of not to exceed Fifteen Million Dollars (\$15,000,000) to raise money for the Project as authorized by the Act.

SECTION 4. (a) Payments of interest on the Bonds shall be made to the Record Date Registered Owner, and payments of principal shall be made upon presentation and surrender thereof at the principal office of the Paying Agent to the Record Date Registered Owner in lawful money of the United States of America.

(b) The Bonds shall be registered as to both principal and interest; shall be dated the date of delivery thereof; shall be issued in the principal denomination of \$5,000 each, or integral multiples thereof up to the amount of a single maturity; shall be numbered from one upward in the order of issuance; shall bear interest from the date thereof at the rate or rates specified by further order of the Governing Body such rate or rates being in compliance with the Act, payable on May 1 and November 1 of each year (each an "Interest Payment Date"), commencing November 1, 2015, and shall mature and become due and payable on November 1 in the years and in the principal amounts as follows:

(c) Bonds maturing on November 1, 2025 and thereafter, are subject to redemption prior to their stated dates of maturity, at par, plus accrued interest to the date of redemption, either in whole or part, at any time on or after November 1, 2024.

(d) Notice of redemption identifying the numbers of Bonds or portions thereof to be redeemed shall be given to the Registered Owners thereof by first class mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption; provided, however, such notice of redemption can be waived by the Registered Owners of the Bonds. Failure to mail or receive any such notice, or any defect therein or in the mailing thereof, shall not affect the validity of any proceedings for the redemption of Bonds. Any notice mailed as provided herein shall be conclusively presumed to have been given, irrespective of whether received. If such written notice of redemption is made and if due provision for payment of the redemption price is made, all as provided above, the Bonds which are to be redeemed thereby automatically shall be deemed to have been redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the owner to receive the redemption price out of the funds provided for such payment. If at the time of mailing of any notice of redemption, there shall not be on deposit with the Paying Agent sufficient moneys to redeem all of the Bonds called for redemption, such notice shall state that it is subject to the deposit of moneys with the Paying Agent not later than on the redemption date and shall be of no effect unless such moneys are deposited.

(e) The Bonds, for which the payment of sufficient moneys or, to the extent permitted by the laws of the State, (a) direct obligations of, or obligations for the payment of the principal of and interest on which are unconditionally guaranteed by, the United States of America ("Government Obligations"), (b) certificates of deposit or municipal obligations fully secured by Government Obligations, (c) evidences of ownership of proportionate interests in future interest or principal payments on Government Obligations held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor on the Government Obligations and which Government Obligations are not available to satisfy any claim of the custodian or any person claiming through the custodian or to whom the custodian may be obligated, (d) State and Local Government Series ("SLGS") Securities, or (e) municipal obligations, the payment of the principal of, interest and redemption premium, if any, on which are irrevocably secured by Government Obligations and which Government Obligations are not subject to redemption prior to the date on which the proceeds attributable to the principal of such obligations are to be used and have been deposited in an escrow account which is irrevocably pledged to the payment of the principal of and interest and redemption premium, if any, on such municipal obligations (all of which collectively, with Government Obligations, "Defeasance Securities"), shall have been deposited with an escrow agent appointed for such purpose, which may be the Paying and Transfer Agent, shall be deemed to have been paid, shall cease to be entitled to any lien, benefit or security under this Bond Resolution and shall no longer be deemed to be outstanding hereunder, and the Registered Owners shall have no rights in respect thereof except to receive payment of the principal of and interest on such Bonds from the funds held for that purpose. Defeasance Securities shall be considered sufficient hereunder if said investments, with interest, mature and bear interest in such amounts and at such times as will assure sufficient cash to pay currently maturing interest and to pay principal when due on such Bonds.

SECTION 5. (a) When the Bonds shall have been validated and executed as herein provided, they shall be registered as an obligation of the County in the office of the Clerk in a record maintained for that purpose, and the Clerk shall cause to be imprinted upon, or attached to the reverse side of each of the Bonds, over said Clerk's original or facsimile signature and original or facsimile seal, the Clerk's certificate in substantially the form set out in Section 7.

(b) The Bonds shall be executed by the manual or facsimile signature of the President and countersigned by the manual or facsimile signature of the Clerk, with the seal of the County imprinted or affixed thereto; provided, however all signatures and seals appearing on the Bonds, other than the signature of an authorized officer of the Transfer Agent hereafter provided for, may be facsimile and shall have the same force and effect as if manually signed or impressed. In

case any official of the County whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such official before the delivery or reissuance thereof, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such official had remained in office until delivery or reissuance.

(c) The Bonds shall be delivered to the Purchaser upon payment of the purchase price therefor in accordance with the terms and conditions of their sale and award, together with a complete certified transcript of the proceedings had and done in the matter of the authorization, issuance, sale and validation of the Bonds, and the final, unqualified approving opinion of Bond Counsel, which opinion shall be imprinted on, or attached to, the reverse of each of the Bonds.

(d) Prior to or simultaneously with the delivery by the Transfer Agent of any of the Bonds, the County shall file with the Transfer Agent:

(i) a copy, certified by the Clerk, of the transcript of proceedings of the Governing Body in connection with the authorization, issuance, sale and validation of the Bonds; and

(ii) an authorization to the Transfer Agent, signed by the President, to authenticate and deliver the Bonds to the Purchaser.

(e) At delivery, the Transfer Agent shall authenticate the Bonds and deliver them to the Purchaser thereof upon payment of the purchase price of the Bonds to the County.

(f) Bonds, blank as to denomination, rate of interest, date of maturity and CUSIP number and sufficient in quantity in the judgment of the County to meet the reasonable transfer and reissuance needs on the Bonds, shall be printed and delivered to the Transfer Agent in generally-accepted format, and held by the Transfer Agent until needed for transfer or reissuance, whereupon the Transfer Agent shall imprint the appropriate information as to denomination, rate of interest, date of maturity and CUSIP number prior to the registration, authentication and delivery thereof to the transferee holder. The Transfer Agent is hereby authorized upon the approval of the Governing Body to have printed from time to time as necessary additional Bonds bearing the facsimile seal of the County and facsimile signatures of the persons who were the officials of the Governing Body as of the date of original issue of the Bonds.

SECTION 6. (a) The County will appoint the Paying and Transfer Agent for the Bonds after receiving the recommendation of the successful bidder subject to the following conditions. The Paying and Transfer Agent shall be a bank or trust company located within the State. The Governing Body for and on behalf of the County specifically reserves the right to hereafter designate a separate Transfer Agent and/or Paying Agent in its discretion in the manner hereinafter provided.

(b) So long as any of the Bonds shall remain outstanding, the County shall maintain with the Transfer Agent records for the registration and transfer of the Bonds. The Transfer Agent is hereby appointed registrar for the Bonds, in which capacity the Transfer Agent shall register in such records and permit to be transferred thereon, under such reasonable regulations as may be prescribed, any Bond entitled to registration or transfer.

(c) The County shall pay or reimburse the Agent for reasonable fees for the performance of the services normally rendered and the incurring of normal expenses reasonably and necessarily paid as are customarily paid to paying agents, transfer agents and bond registrars, subject to agreement between the County and the Agent. Fees and reimbursements for extraordinary services and expenses, so long as not occasioned by the negligence, misconduct or willful default of the Agent, shall be made by the County on a case-by-case basis, subject, where not prevented by emergency or other exigent circumstances, to the prior written approval of the Governing Body.

(d) (I) An Agent may at any time resign and be discharged of the duties and obligations of either the function of the Paying Agent or Transfer Agent, or both, by giving at least sixty (60) days' written notice to the County, and may be removed from either or both of said functions at

any time by resolution of the Governing Body delivered to the Agent. The resolution shall specify the date on which such removal shall take effect and the name and address of the successor Agent, and shall be transmitted to the Agent being removed within a reasonable time prior to the effective date thereof. Provided, however, that no resignation or removal of an Agent shall become effective until a successor Agent has been appointed pursuant to the Bond Resolution.

(ii) Upon receiving notice of the resignation of an Agent, the County shall promptly appoint a successor Agent by resolution of the Governing Body. Any appointment of a successor Agent shall become effective upon acceptance of appointment by the successor Agent. If no successor Agent shall have been so appointed and have accepted appointment within thirty (30) days after the notice of resignation, the resigning Agent may petition any court of competent jurisdiction for the appointment of a successor Agent, which court may thereupon, after such notice as it may deem appropriate, appoint a successor Agent.

(iii) In the event of a change of Agents, the predecessor Agent shall cease to be custodian of any funds held pursuant to this Bond Resolution in connection with its role as such Agent, and the successor Agent shall become such custodian; provided, however, that before any such delivery is required to be made, all fees, advances and expenses of the retiring or removed Agent shall be fully paid. Every predecessor Agent shall deliver to its successor Agent all records of account, registration records, lists of Registered Owners and all other records, documents and instruments relating to its duties as such Agent.

(iv) Any successor Agent appointed under the provisions hereof shall be a bank, trust company or national banking association having Federal Deposit Insurance Corporation insurance of its accounts, duly authorized to exercise corporate trust powers and subject to examination by and in good standing with the federal and/or state regulatory authorities under the jurisdiction of which it falls.

(v) Every successor Agent appointed hereunder shall execute, acknowledge and deliver to its predecessor Agent and to the County an instrument in writing accepting such appointment hereunder, and thereupon such successor Agent, without any further act, shall become fully vested with all the rights, immunities and powers, and subject to all the duties and obligations, of its predecessor.

(vi) Should any transfer, assignment or instrument in writing be required by any successor Agent from the County to more fully and certainly vest in such successor Agent the estates, rights, powers and duties hereby vested or intended to be vested in the predecessor Agent, any such transfer, assignment and written instruments shall, on request, be executed, acknowledged and delivered by the County.

(vii) The County will provide any successor Agent with certified copies of all resolutions, orders and other proceedings adopted by the Governing Body relating to the Bonds.

(viii) All duties and obligations imposed hereby on an Agent or successor Agent shall terminate upon the accomplishment of all duties, obligations and responsibilities imposed by law or required to be performed by this Bond Resolution.

(e) Any corporation or association into which an Agent may be converted or merged, or with which it may be consolidated or to which it may sell or transfer its assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, shall be and become successor Agent hereunder and vested with all the powers, discretion, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of either the County or the successor Agent, anything herein to the contrary notwithstanding, provided only that such successor Agent shall be satisfactory to the County and eligible under the provisions of Section 6(d)(iv) hereof.

SECTION 7. The Bonds shall be in substantially the following form, with such appropriate variations, omissions and insertions as are permitted or required by this Bond Resolution:

The Transfer Agent's certificate of registration and authentication on any Bond shall be deemed to have been duly executed if signed by an authorized officer of the Transfer Agent, but it shall not be necessary that the same officer sign said certificate on all of the Bonds that may be issued hereunder at any one time.

SECTION 11. (a) In the event the Purchaser shall fail to designate the names, addresses and social security or tax identification numbers of the Registered Owners of the Bonds within thirty (30) days of the date of sale, or at such other later date as may be designated by the County, one Bond registered in the name of the Purchaser may be issued in the full amount for each maturity. Ownership of the Bonds shall be in the Purchaser until the initial Registered Owner has made timely payment and, upon request of the Purchaser within a reasonable time of the initial delivery of the Bonds, the Transfer Agent shall re-register any such Bond upon its records in the name of the Registered Owner to be designated by the Purchaser in the event timely payment has not been made by the initial Registered Owner.

All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

SECTION 12. (a) Each Bond shall be transferable only in the records of the County, upon surrender thereof at the office of the Transfer Agent, together with a written instrument of transfer satisfactory to the Transfer Agent duly executed by the Registered Owner or its attorney duly authorized in writing. (a) The County hereby establishes the 2014 Bond Fund which shall be maintained with a qualified depository in its name for the payment of the principal of and interest on the Bonds, and the payment of Agents' fees in connection therewith. maintained with a qualified depository. The principal proceeds received upon the sale of the Bonds shall be deposited in the 2014 Construction Fund. Any income received from investment of monies in the 2014 Construction Fund shall be deposited in the 2014 Construction Fund or the 2014 Bond Fund for the payment of debt service on the Bonds during the construction period for the Project. From the 2014 Construction Fund there shall be first paid the costs, fees and expenses incurred by the County in connection with the authorization, issuance, sale, validation and delivery of the Bonds, the amounts of which may be paid by an authorized officer of the County upon written approval thereof by the President of the Governing Body, without the necessity of providing for such payments on the County claims docket. The balance thereof shall be held and disbursed for the Project, as authorized by the Act. (c) Principal of and interest on the Bonds shall be paid by check or draft mailed on the Interest Payment Date to Registered Owners at the addresses appearing in the registration records of the Transfer Agent. Any such address may be changed by written notice from the Registered Owner to the Transfer Agent by certified mail, return receipt requested, or such other method as may be acceptable to the Transfer Agent, such notice to be received by the Transfer Agent not later than the Record Date preceding the applicable principal or Interest Payment Date to be effective as of such date.

SECTION 16. SECTION 17. The County hereby covenants that it will not make any use of the proceeds of the Bonds or do or suffer any other action that would cause: (I) the Bonds to be "arbitrage bonds" as such term is defined in Section 148(a) of the Code, and the Regulations promulgated thereunder; (ii) the interest on the Bonds to be included in the gross income of the Registered Owners thereof for federal income taxation purposes; or (iii) the interest on the Bonds to be treated as an item of tax preference under Section 57(a)(5) of the Code.

by the required time, one bond may be issued for each maturity in the full amount maturing on that date registered in the name of the successful bidder.

Both principal of and interest on the Bonds will be payable by check or draft mailed on the Interest Payment Date to Registered Owners of the Bonds as of the 15th day of the month preceding the maturity date for such principal or interest payment at the addresses appearing in the registration records of the County maintained by the Transfer Agent. The Bonds are being issued for the purpose of providing funds for constructing, reconstructing, and repairing Bozeman Road, Yandell Road and Highland Colony Parkway and other roads, highways and bridges in the County, and acquiring the necessary land, including land for road-building materials, acquiring rights-of-way therefor; and the purchase of heavy construction equipment and accessories thereto reasonably required to construct, repair and renovate such roads, highways and bridges and approaches thereto within the County, and providing for the costs of issuing the Bonds (the "Project").

The Bonds will be general obligations of the County payable as to principal and interest out of and secured by an irrevocable pledge of the avails of a direct and continuing tax to be levied annually without limitation as to time, rate or amount upon the taxable property within the geographical limits of the County. The County will levy annually a special tax upon all taxable property within the geographical limits of the County adequate and sufficient to provide for the payment of the principal of and the interest on the Bonds as the same falls due.

purchase the Bonds at the lowest net interest cost to the County. The net interest cost will be determined by computing the aggregate interest on the Bonds over the life of the issue at the rate or rates of interest specified by the bidder, less premium offered, if any. It is requested that each proposal be accompanied by a statement of the net interest cost (computed to six decimal places), but such statement will not be considered a part of the proposal.

The Governing Body reserves the right to reject any and all bids submitted and to waive any irregularity or informality.

The obligation of the purchaser to purchase and pay for the Bonds is conditioned on the delivery, at the time of settlement of the Bonds, of the following: (1) the approving legal opinion of Butler Snow LLP, the Bond Counsel, to the effect that the Bonds constitute valid and legally binding obligations of the County payable from and secured by an irrevocable pledge of the avails of a direct and continuing tax to be levied annually without limitation as to time, rate or amount upon all the taxable property within the geographical limits of the County and to the effect that the interest on the Bonds is excludable from federal and Mississippi income taxes under existing laws, regulations, rulings and judicial decisions with such exceptions as shall be required by the Internal Revenue Code of 1986, as amended; and (2) the delivery of certificates in form and tenor satisfactory to Bond Counsel evidencing the proper execution and delivery of the Bonds and receipt of payment therefor, including a statement of the County, dated as of the date of such delivery, to the effect that there is no litigation pending or, to the knowledge of the signer or signers thereof, threatened relating to the issuance, sale and delivery of the Bonds. A copy of said approving legal opinion will appear on or accompany the Bonds.

It is anticipated that CUSIP identification numbers will be printed on the Bonds unless specifically declined by the purchaser, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of the purchase contract. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid by the County; the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the purchaser.

The County has covenanted in its Bond Resolution that under SEC Rule 15c2-12, the County will deliver or cause to be delivered annually, commencing with the Fiscal Year of the County ending after January 1, 2015, to the Municipal Securities Rulemaking Board (the "MSRB") through MSRB's Electronic Municipal Market Access system at www.emma.msrb.org ("EMMA"), in the electronic format then prescribed by the Securities and Exchange Commission (the "SEC") (the "Required Electronic Format") pursuant to SEC Rule 15c2-12 of the SEC, together with any identifying information or other information then required to accompany the applicable filing (the "Accompanying Information"), (i) annual financial information and operating data relating to the County, including audited financial statements of the County and (ii) notice of certain events, if any, relating to the Bonds and the County, if the County deems such events to be material, as set forth in SEC Rule 15c2-12. Anyone requesting information under the continuing disclosure requirements of SEC Rule 15c2-12 should contact the Chancery Clerk, Chancery Court Building, 125 West North Street, Canton, Mississippi 39046 Telephone Number (601) 855-5535.

The Preliminary Official Statement, dated _____, 2014, has been "deemed final" as of such date by the County with permitted omissions, subject to change without notice and to completion or modification in a final Official Statement (the "Official Statement"). The County will make available to the successful bidder a reasonable number of Official Statements within seven (7) business days (excluding Saturdays, Sundays and national holidays) of the award of the Bonds. The successful bidder shall conform to the requirements of SEC Rule 15c2-12, including an obligation, if any, to update the Official Statement and shall bear all costs relating thereto. During the period from the delivery of the Official Statement to and including the date which is twenty-five (25) days following the end of the underwriting period for the Bonds (as described below) the County shall notify the successful bidder if any event of which it has knowledge shall occur which might or would cause the Official Statement, as then supplemented or amended, to

contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

The successful bidder shall file the Official Statement with MSRB through EMMA, a nationally recognized municipal securities information repository (a "Repository"), at the earliest practicable date after the date of delivery of the Bonds. The end of the underwriting period shall mean the earlier of (a) the date of the Closing unless the County has been notified in writing to the contrary by the representative of the successful bidder on or prior to such date, or (b) the date on which the "end of the underwriting period" for the Bonds has occurred under SEC Rule 15c2-12.
