**Re: The Vision Subdivision – Part One-A**  
Duplicate Street Name  
Canton, MS 39046

Dear Mark,

It has come to our attention that there is an error on a street name in **The Vision Subdivision – Part One-A**. *Pine Cove*, as it is listed on the plat, is a duplicate name from another road in the county. At the request of the owner and through coordination with the Madison County E-911 office, the road name of *Maple Cove* is available and we request ratification of the existing plat to reflect this change.

Please find attached the letter from Madison County E-911.

If you have any further questions/comments, feel free to contact me at 662-312-9672.

Mr. Cline,

As per our conversation pertaining to The Vision Subdivision, the final plat filed must be ratified through the Board of Supervisors, due to the fact it was platted with a street name (Pine Cove) that already exist in Madison County.

Also per our conversation, you inquired on the availability of the street name Maple Cove. After research, we have found that street name to be available and is approved by our office to be used as a replacement for Pine Cove.

Upon receipt of this letter, please contact Rudy Warnock's office at 601-855-2250 to determine the next step in completing the ratification process. After the plat is ratified, our office will continue the process of getting the street names added to the Madison County Road Registry and assigning addresses. Should you have any additional questions or if I can further assist you with this matter, please contact our office at 601-859-4188.

Thank you,
