Subject: Authority to purchase ten tractors and two boom mowers on State Contract

#### Gentlemen:

Road Manager Lawrence Morris has requested that I purchase ten Kubota tractors and two boom mowers on state contract. Two of the tractors will have boom mowers factory installed. The tractors are \$51,011.40 each and the mowers are \$55,230 each. The total purchase price is \$620,574.

The current fleet of tractors and two boom mowers will be sold at auction early next year.

This purchase was budgeted to be paid for over five years using lease-purchase financing. I will present lease-purchase financing quotes to the board at a later date.

A copy of the state contract information is attached.

Sincerely

Hardy Crynk

Purchasing Clerk

- ① Order choice of Valves, either type valve can be used in the 2nd or 3rd Position. Requires appropriate Lever Kit.
- ② As stated in 1, you must order the appropriate Lever Kit. The Lever Kits are separate to allow proper application sequence of SCD and/or FD Valves. Note: M9669 2nd Valve is standard on SDSCC model.
- ② Can be added to the standard SCD valve. Provides limited simultaneous operation with the 3 pt, hitch. A second SCD valve can be added.
- Provides simultaneous operation between standard SCD and second SCD included with this Flow Control Valve.
- Quick change dual-speed shafts by removing one snap ring. Dealer installed option unless specified.
- See PIB-2008-062 "A" version kits are used on M108S 2WD serial number 30001 and up; and M108S 4WD serial number 70001 and up.
