Dear Supervisors,

I am Nicole Shows, chair of the Maverick Stampede 5K/10K.

I am asking for permission to hold a 5K/10K race for Germantown High School in Madison, MS on January 24, 2015. It will begin and end at the school. We will use the same route as last year. Race Course: participants will begin on school grounds and will take a left onto Calhoun Parkway from the school's main entrance.. They will continue north on the parkway. The 5K turnaround will be right before Hill Road. The 10K will continue a few more miles. AS they turn around, they will head south on the Parkway turning right into the main entrance of Germantown High. They will continue to the football field where the finish line will be marked.

The 1 mile Fun Run will begin in the same spot on campus. Participants will then turn right onto Calhoun Parkway traveling south. They will turn onto Church Road and take another right back onto Germantown High campus.

The Kidde Gallop will only be one lap around the track inside the football stadium.
