RE: Road Claim for Yulonda Davis on Gluckstadt Road

The original investigation of this claim found a pothole in the vicinity of the location given by Yulonda Davis. That particular pothole had been repaired. That pothole was in the general area of 173 Gluckstadt Road. That pothole had been repaired recently but the date is unknown. During the investigation on the above referenced claim, and other previous claims, it was found that there were multiple potholes in the area on Gluckstadt Road between Hwy 463 and Dewees Road. It was not possible to ascertain which one was the one in question after the seven days had run due to the fact that that area had been under consistent pothole repair. That area has been the subject of several road claims and road repairs in the last several weeks. Therefore, it is the recommendation of the Emergency Management Office to approve and pay the claim to the order of Yulonda Davis in the amount of \$373.42 (the lesser of the two attached quotes) for stated repairs. If any further information is needed, please contact our office.

Hello Jennifer. I've learned that your off on medical leave.. I pray you are doing well.. I'm sorry to bother you, but I can't get any information about my claim.. I brought estimates and damage summary in on November 12, 2014. November 21,2014 was 7days from date I turned it in, and the pothole was not fixed as of this date. I came to your office on Tuesday November 26, 2014. I spoke with a young lady sorry I don't remember her name. She told me she had mailed a letter out to me and she would have someone call me when they got back from lunch.. It is now December 1, 2014 and have not received a phone call or letter from anyone in your office. I'm a tax paying citizen as well, and I need to know what's going on with my claim please. I need my vehicle to transport to and from work, and due to The damages occurred to my tire I'm taking a risk riding on my only spare tire, because I can't afford to get it fixed as of yet.. Will you please check on this for me and get back with me asap.. I will greatly appreciate it.. Thank you in advance.
