Dr. Johnson and Mr. Johnston,

It is with regret that I must resign from my position on the Madison County Citizen Services Agency. I will no longer be able to fulfill my duties because of my career change. If I can be of assistance in regard to the Farmers Market Nutrition Program vouchers, please keep me informed of the need as I will continue to be involved with the Canton Farmers Market.

Thank you for your confidence placed in me in serving the Agency. I wish the program well.
