RE: Martin Meadowlands LLC, Martin Meadows
Mine One
Mining Application A1783AA
Madison County

Mr. Matheny,

This letter hereby confirms that the Madison County Board of Supervisors approved a 23-acre expansion of the existing 44-acre Martin Meadowlands LLC Mine One in their November 5th, 2012 meeting. The mine is currently approved to serve MDOT I-55 widening improvements in Madison County. However, the Board understands that the owners are also seeking zoning approval for the mine to serve commercial interests in the future, and are currently working through the Public Hearing process with the County towards that approval.

Should you have any questions or need additional information, please feel free to contact me at (601)855-5501.

Sincerely,

Brad Sellers
Madison County Planning and Zoning
