Re: 1227 Gluckstadt Road, Madison, MS

Mr. Warnock:

I would like to request approval to widen two of the driveways at the above referenced location. We plan to build a Shell Truck Stop and currently the driveway will not allow for trucks to safely enter and exit the property.

As shown on the site plan we need to increase the width of the east driveway on Gluckstadt Road from 50 feet to 75 feet and the south driveway on Industrial Drive needs to be increased from 50 feet to 68 feet.

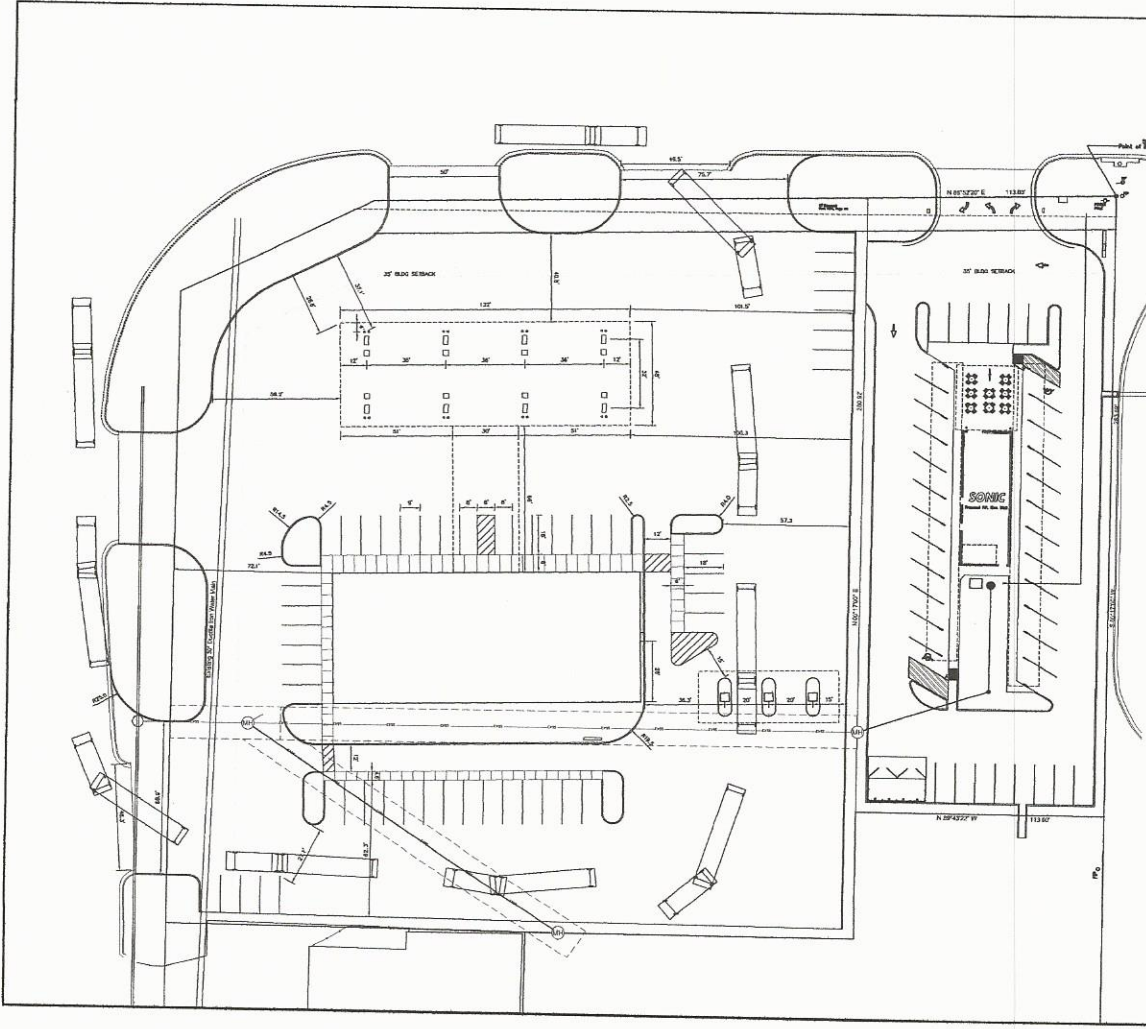

Thank you for your consideration in this matter.
