Subject: Award bid for one front-end (wheel) loader and authorize trade-in of current front-end loader

Gentlemen:

Bids were opened March 10 for one front-end (wheel) loader, both with and without trade-in of the county's 1995 Caterpillar 950F front-end loader. The county's current front-end loader is inoperable and would cost \$44,799.03 to repair.

The lowest and best bid with trade-in and the guaranteed buyback on Bid Option 2 is Puckett Machinery. Bid Option 2 includes a 60-month or 5,000 machine hour (whichever comes first) warranty on the powertrain and hydraulics and a 60-month or 5,000 machine hour (whichever comes first) guaranteed buyback. Please see the attached bid tabulation.

It is my opinion that Puckett is the lowest and best bid on Bid Option 2 when the trade-in and buyback are taken into consideration. Detailed calculations are provided on the attached bid tabulation sheet.

I therefore recommend that the Board award the bid for one front-end (wheel) loader to Puckett Machinery at a cash price of \$219,813 minus trade-in of \$28,000, which leaves a net cash price of \$191,813.

I further recommend that the board declare the 1998 Caterpillar 950F front-end loader (county asset #100) surplus and authorize its trade-in to Puckett Machinery for \$28,000.

Sincerely,

Hardy Crunk
Purchasing Clerk

BID TABULATION FOR FRONT-END (WHEEL) LOADER
 Tuesday, March 10, 2015

	PUCKETT	STRIBLING	LYLE	JWH
BID OPTION 1				
CASH PRICE	216,563	224,900	217,995	209,325
