Re: Lake Harbour Road Interlocal Agreement

Dear Supervisor Banks:

On September 11, 2014 I sent you a letter concerning the March 1, 2010 Interlocal Agreement between the City and County wherein the County promised the sum of \$1,904,020 to the City of Ridgeland to assist it in the construction and expansion of Lake Harbour Drive.

As of (date) the City has not received a response concerning its inquiry and demand for the additional \$1,000,000 that is due and owing. Our review of the agenda and minutes of the Madison County Board of Supervisors does not reveal that this issue has been taken up before the entire Board for consideration.

You and the other Supervisors realize how important this assurance of \$1,904,020 was to the fiscal position of the City of Ridgeland. The City relied on your pledge of funds to complete the construction of this roadway. Having not received the contracted amount, the City had to find additional funds to complete the payment of its obligations.
