Subject: Constables Purchases

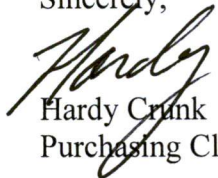

Gentlemen:

Constable Will Wiesenberger's in-car laptop used for the e-ticket program quit working and is beyond repair. The cost to replace the laptop is \$2,408.46 from Matrix Solutions. The new laptop is a different brand and will require a new in-car mounting stand and installation at a cost of \$862 from Osborn.

Constable Mike Brown has a working laptop for the e-ticket program; however, it has not been mounted in his vehicle. Brown's laptop is the same brand and uses the same mounting apparatus as Wiesenberger's old laptop. The cost for floor plate and for Osborn to move Wiesenberger's old mounting stand to Brown's vehicle is \$212.50.

All constable expenditures except for those mandated by law require prior board approval. I recommend that the board approve the above expenditures.

Sincerely,

Hardy Crunk
