Subject: Advertise for Proposals for Recycling Services

Gentlemen:

Madison County entered into a contract of curbside recycling with Waste Management beginning in January 2011. The contract was for three years with two one-year extensions available at the sole option of the county. The county availed itself of both option years. The last option year expires December 31, 2015.

I therefore request authority to advertise for proposals for a new recycling contract that will take effect January 1, 2016.

Sincerely,

Hardy Crunk
Purchasing Clerk
