Labor & Employment Law Conference

WELCOME

Dear Clients and Friends,

Phelps Dunbar is pleased to invite you to our 38th Annual Mississippi Labor & Employment Law Conference on August 6-7 at the Beau Rivage Resort & Casino in Biloxi, Mississippi. Each year, we strive to offer you the educational experience you've come to expect from Phelps Dunbar's Labor and Employment Law group. This year's conference – "Southern Comfort, Doing Business in the South" - will highlight updates and trends of labor and employment law, while addressing the way business is conducted in the South.

As an added feature to the program, we will have a live mock trial with audience participation. The trial will cover the "Legitimate Termination vs Wrongful Discharge under McArn: An Analysis of Mississippi's Public Policy Exception to the Employment at Will Doctrine." It will explore and take you through Mississippi's public policy exception to the employment-at-will doctrine. While Mississippi is generally an employment-at-will state, its courts have recognized very narrow, limited exceptions to the doctrine.

Please carefully read through the registration packet detailing the program agenda. Should you have any questions, please contact the Phelps Dunbar attorney with whom you work with or Leslie Hill. We look forward to having you join us in Biloxi, Mississippi.

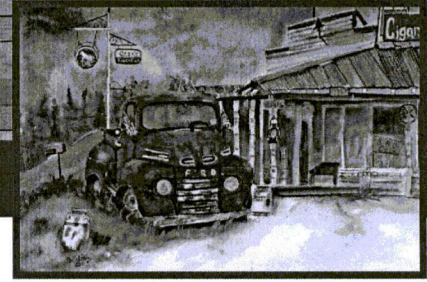

Sincerely,

W. THOMAS SILER, JR.
Practice Coordinator,
Labor and Employment Law
