RE: Renewal of Inmate Healthcare Contract

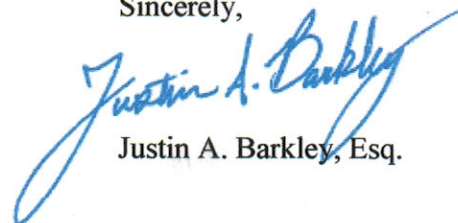

Dear Maj. McNeal:

It was good talking to you today concerning the renewal of QCHC's inmate healthcare contract with Madison County. As we discussed, in the current contract (ending September 30, 2015), the annualized price was \$600,479.49. Per the terms of the contract, we agree to renew our contract for another one-year term, with a slight inflation adjustment to the price, at the rate of the Consumer Price Index (CPI), Medical Component, which from May 2014 through April 2015 (the latest figures available from the Bureau of Labor Statistics), was 2.6%. **Accordingly, our proposed annual price for 2015-2016 is \$616,091.96.**

We are grateful that you allow us to be your inmate healthcare provider, and we look forward to continuing our partnership with you. If you have any questions, please do not hesitate to contact me. We look forward to working with you in any way we can to ensure that we continue to be your inmate healthcare provider.

Thank you for this opportunity.

Sincerely,

Justin A. Barkley, Esq.
