Subject: Authorize repair of Leeboy Paving Machine

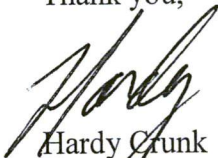

Gentlemen:

Mississippi law requires board approval for the repair of road equipment in an amount greater than \$5,000 during the last six months of a board term (see attached from State Auditor).

The County's Leeboy paver is in need of a new wear plate and left and right heat boxes. The estimated cost of the repair is \$8,000 (see attached quote).

I recommend that the Board approve repair of the Leeboy paver at an estimated cost of \$8,000.

Thank you,

Hardy Crunk
Purchasing Clerk
