Re: Old Orchard Rd. Cul-De-Sac Project Costs

Dear Supervisors:

In an attempt to provide you with all of proposed costs related to the referenced project, we have listed a brief summary below.

Estimated construction costs for the project are based on the quantities in the Construction Plans and Specifications and the unit costs provided by the Madison County Term Bids for September 1st, 2014 through August 31st, 2015, and can be referenced in the attachment to this letter. The total estimated construction costs for the referenced project are \$33,515.14

Estimated utility relocation costs for the project are based on information provided by Mr. Jim Turner, and can be referenced in the attachment to this letter. The total estimated utility relocation costs for the referenced project are \$25,685.93.

Estimated construction easement, utility easement, and legal fees are also based on information provided by Mr. Jim Turner. The total estimated easement and legal fees for the referenced project are \$4,500.00.

The total project cost is estimated at \$63,701.07

If you have any questions or comments regarding the estimated costs for this project, feel free to call anytime.

Sincerely,

Warnock & Associates, LLC

Rudy M. Warnock, Jr., P.E.
Madison County State Aid & LSBP Engineer
