**Subject: Award Term Bids**

Gentlemen:

Attached are copies of recently-opened term bids. Asphalt products and services are for the six-month period 1 Oct 2015 – 31 March 2016. All other products and services are for the fiscal-year period 1 Oct 2015 – 30 Sept 2016.

A few bits of good news:

- The surface asphalt price decreased \$2.50 per ton, from \$57.50 to \$55.
- There was no change in the price to haul and laydown asphalt.
- The price of liquid asphalt decreased five cents per gallon, from \$2.06 to \$2.01.

I recommend that the Board take the following action:

1. Award the Term Bid for SC-1 Type II ASPHALT for the period 1 Oct 2015 – 31 March 2016 to APAC-CANTON.

Note: APAC-Canton's price for SC-1 of \$55 is higher than APAC-Jackson's bid and equal to D&B's and ADCAMP's bids; however, the round-trip haul distance to the other bidders' plants is much greater. When fuel cost, driver pay and benefits, and tires and dump-truck maintenance are calculated into the equation, the total cost to pick-up a ton of SC 1 Type II Asphalt from APAC-Canton is \$55.28 compared to \$58.20 from the next lowest bidder, APAC-Jackson, making APAC-Canton the "lowest and best bid." The cost per ton picked up is even greater from D&B and ADCAMP. Detailed calculations are attached and incorporated as part of this letter by reference.

2. Award the First Alternate Term Bid for SC-1 Type II ASPAHLT for the period 1 Oct 2015 – 31 March 2016 to APAC-Jackson.
3. Award the Second Alternate Term Bid for SC-1 Type II ASPAHLT for the period 1 Oct 2015 – 31 March 2016 to D&B. D&B's and ADCAMP's bids

are the same; however, the slightly shorter haul distance to D&B makes it the “lowest and best” second alternate bid.

4. Award the Term Bid for SC-1 Type 8 ASPHALT for the period 1 Oct 2015 – 31 March 2016 to APAC-CANTON.

Note: APAC-Canton’s bid for SC-1 Type II of \$59 is higher than APAC-Jackson’s bid of \$56.40; however, the round-trip haul distance to APAC-Jackson is much greater. When fuel cost, driver pay and benefits, and tires and dump-truck maintenance are calculated into the equation, the total cost to pick-up a ton of SC 1 Type II Asphalt from APAC-Canton is \$59.28 compared to \$61.60 from APAC-Jackson, making APAC-Canton the “lowest and best bid.” The cost per ton picked up is even greater from D&B and ADCAMP. Detailed calculations are attached and incorporated as part of this letter by reference.

5. Award the First Alternate Term Bid for SC-1 Type 8 ASPAHLT for the period 1 Oct 2015 – 31 March 2016 to APAC-Jackson.
6. Award the Second Alternate Term Bid for SC-1 Type 8 ASPHALT for the period 1 Oct 2015 – 31 March 2016 to D&B. D&B’s and ADCAMP’s bids are the same; however, the slightly shorter haul distance to D&B makes it the “lowest and best” second alternate bid.
7. Award the Term Bid for BB 1 ASPHALT for the period 1 Oct 2015 – 31 March 2016 to APAC-CANTON.

Note: APAC-Canton’s bid for BB-1 Asphalt of \$49 is higher than APAC-Jackson’s bid of \$48; however, the longer round-trip haul distance to APAC-Jackson’s plant is much greater. When fuel cost, driver pay and benefits, and tires and dump-truck maintenance are calculated into the equation, the total cost to pick-up a ton of BB-1 Asphalt from APAC-Canton is \$49.28 compared to \$53.20 from APAC-Jackson, making APAC-Canton the “lowest and best bid.” Detailed calculations are attached and incorporated as part of this letter by reference.

8. Award the First Alternate Term Bid for BB 1 ASPHALT for the period 1 Oct 2015 – 31 March 2016 to APAC-Jackson.
9. Award the Second Alternate Term Bid for BB 1 ASPHALT for the period 1 Oct 2015 – 31 March 2016 to Dickerson & Bowen.
10. Award the Term Bid for LIQUID ASPHALT for the period 1 Oct 2015 – 31 March 2016 to ERGON.
11. Award the First Alternate Term Bid for LIQUID ASPHALT for the period 1 October 2015 – 31 March 2016 to Blackledge.
12. Award the Term Bid for COLD MIX for the period 1 Oct 2015 – 31 March 2016 to Dickerson & Bowen.

13. Award the First Alternate Term Bid for COLD MIX for the period 1 Oct 2015 – 31 March 2016 to APAC-Jackson.
14. Award the Term Bid for ROAD RECLAMATION for the period 1 Oct 2015 – 31 March 15 to ADCAMP.
15. Award the Term Bid for ROAD BASE REPAIRS for the period 1 Oct 2015 – 31 March 15 to ADCAMP. ADCAMP's bid is \$7 more per square yard than APAC-CANTON'S; however, APAC-Canton stipulated a 500-square-yard minimum quantity. ADCAMP does not have a minimum quantity. According to Jimmy Vickers with Warnock Engineering, the County will rarely, if ever, undertake 500 square yards of base repair at one time. For that reason, ADCAMP is the "lowest and best" bid.
16. Award the First Alternate Term Bid for ROAD BASE REPAIRS for the period 1 Oct 2015 – 31 March 15 to APAC-CANTON.
17. Award the Term Bid for COLD MILLING for the period 1 Oct 2015 – 31 March 15 to ADCAMP.
18. Award the First Alternate Term Bid for COLD MILLING for the period 1 Oct 2015 – 31 March 15 to APAC-CANTON.
19. Award the Term Bid for HAULING AND LAYING ASPHALT for the period 1 Oct 2015 – 31 March 2016 to ADCAMP.
20. Award the First Alternate Term Bid for HAULING AND LAYING ASPHALT for the period 1 Oct 2015 – 30 March 2016 to APAC-Canton.
21. Award the Second Alternate Term Bid for HAULING AND LAYING ASPHALT for the period 1 Oct 2015 – 30 March 2016 to Hancock.
22. Reject Dickerson & Bowen's bid for HAULING AND LAYING ASPHALT for the period 1 Oct 2015 – 31 March 2016 due to the company's failure to meet the specifications. The company did not bid on hauling and laying asphalt from the county's selected asphalt vendor as required by the specifications.
23. Award the Term Bid for #57 WASHED LIMESTONE, both picked up and delivered, for the period 1 Oct 2015 – 30 Sept 2016 to FMT Aggregate.
24. Award the Term Bid for #89 WASHED LIMESTONE, both picked up and delivered, for the period 1 Oct 2015 – 30 Sept 2016 to FMT Aggregate.
25. Award the Term Bid for WASHED ROAD GRAVEL for the period 1 October 2015 to 30 September 2016 to Hammett Gravel.
26. Award the Term Bid for MUD-JACKING for the period 1 Oct 2015 – 30 Sept 2016 to Murray Mud-Jacking Services, Inc.
27. Award the Term Bid for CONCRETE CONSTRUCTION for the period 1 Oct 2015 – 30 Sept 2016 to Bulldog Construction Company.

28. Award the Term Bid for POLYURETHANE FOAM APPLICATIONS for the period 1 Oct 2015 – 30 Sept 2016 to Bulldog Construction Company.
29. Award the Term Bid for ROAD STRIPING for the period 1 Oct 2015 – 30 Sept 2016 to Lane Line, Inc.
30. Award the First Alternate Term Bid for ROAD STRIPING for the period 1 Oct 2015 – 30 Sept 2016 to Traffic Control Products Co., Inc.
31. Award the Term Bid for MULCHING for the period 1 Oct 2015 – 30 Sept 2016 to Pepper's Erosion Control.
32. Award the Term Bid for SEEDING for the period 1 Oct 2015 – 30 Sept 2016 to Pepper's Erosion Control.
33. Award the Term Bid for CLEARING AND GRUBBING for the period 1 Oct 2015 – 30 Sept 2016 to AJ Construction, Inc.
34. Award the Term Bid for EQUIPMENT RENTAL WITH OPERATOR for the period 1 Oct 2015 – 30 Sept 2016 to AJ Construction, Inc.
35. Award the Term Bid for POLYETHYLENE PIPE & COUPLINGS for the period 1 Oct 2015 – 30 September 2016 to G&O Supply Co, Inc.

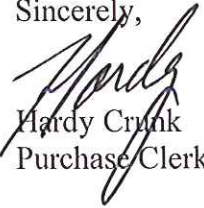

Note: Two bids were received for polyethylene pipe. One was from G&O and the other from HD Supply. Both companies are ADS distributors and both bid the same prices for the same exact products. G&O is the current primary term bid and has provided good service; therefore, I recommend that it be awarded the term bid.

36. Award the First Alternate Term Bid for POLYETHYLENE PIPE & COUPLINGS for the period 1 Oct 2015 – 30 September 2016 to HD Supply.
37. Award the Term Bid for COATED CORRUGATED METAL PIPE for the period 1 Oct 2015 – 30 Sept 2016 to G&O Supply.
38. Award the Term Bid for RAILROAD TANK CARS AND FLAT CARS for the period 1 Oct 2015 – 30 Sept 2016 to Diversified Railcar.
39. Award the Term Bid for BRIDGE CONSTRUCTION AND REPAIR for the period 1 Oct 2015 – 30 Sept 2016 to AJ Construction, Inc.
40. Award the First Alternate Term Bid for BRIDGE CONSTRUCTION AND REPAIR for the period 1 Oct 2015 – 30 Sept 2016 to Key LLC.
41. Award the Term Bid for CONCRETE BRIDGE SLABS for the period 1 Oct 2015 – 30 Sept 2016 to Hanson Pipe & Precast, Inc.
42. Reject the lone Term Bids of FMT Aggregate for CR-610/DBA BASE, RIP-RAP, #57 NON-WASHED LIMESTONE, AND #89 NON-WASHED LIMESTONE, and authorize re-advertising for term bids for same.

43. No Term Bids were received for FILL DIRT; therefore, I request authority to re-advertise for term bids for same.

Thank you in advance for your consideration of the above recommendations.

Sincerely,

Hardy Crunk  
Purchase Clerk

**Hauling and Laying Asphalt**

The term bid Hauling & Laying of Asphalt is for selected road projects to be undertaken by Madison County. It does not apply to advertised road construction projects in which a contractor is purchasing, hauling, and laying asphalt as part of a board-awarded bid for a specific road construction project.

Asphalt shall be picked-up by bidder from county's designated asphalt vendor(s) and hauled to job site for lay-down by bidder. Haul mileage will be paid for distance from asphalt plant(s) to job site. All asphalt will be paid for by county directly to its chosen asphalt vendor(s).

<b>Hauling</b>	<u>\$ 25 / <del>100</del> / \$ 300 minimum</u> per ton-mile <i>TM</i>
<b>Laying</b>	<u>\$ 11.85</u> per ton <i>300 ton minimum. TM</i>

**ROAD RECLAMATION (Pay Item will be pre square yard)**

4 (four) inch depth            NA per square yard  
8 (eight) inch depth            NA per square yard

**Hauling and Laying Asphalt**

The term bid Hauling & Laying of Asphalt is for selected road projects to be undertaken by Madison County. It does not apply to advertised road construction projects in which a contractor is purchasing, hauling, and laying asphalt as part of a board-awarded bid for a specific road construction project.

Asphalt shall be picked-up by bidder from county's designated asphalt vendor(s) and hauled to job site for lay-down by bidder. Haul mileage will be paid for distance from asphalt plant(s) to job site. All asphalt will be paid for by county directly to its chosen asphalt vendor(s).

MADISON COUNTY CHANCERY COURTHOUSE  
ROOMS 225-227, SECOND FLOOR  
146 WEST CENTER STREET  
CANTON, MISSISSIPPI 39046

**BIDS MUST BE SIGNED AND SUBMITTED ON COUNTY-FURNISHED BID SHEET—NO EXCEPTIONS**

Madison County is seeking term bids for the rental of the construction equipment listed on Page 2 of the Specifications and Bid Sheet. Equipment shall be furnished with a qualified operator, fuel, and maintenance.

A separate term bid will be awarded for each individual item of equipment; however, the Madison County Board of Supervisors reserves the right to award term bids only for those pieces of equipment it deems in the county's best interest and to reject any and all term bids.

The use of brand names and the term "equivalent" in the specifications is solely for the purpose of describing the size, horsepower, performance level, characteristics, and nature of the needed equipment and is not intended to limit or restrict competition or to exclude any domestically-manufactured brand of equipment.

All specifications are stated as a minimum.

Madison County:

G & O Supply Company, Inc. is an Authorized Distributor for ADS/Hancor HDPE Pipe and Fittings. We are a locally owned Mississippi Corporation based in Tupelo, Mississippi with 4 locations throughout the State in Jackson, Tupelo, Saucier, and Byhalia.

G & O Supply has been providing drainage pipe to Mississippi Counties and Cities for over 50 years. We are committed to providing the best possible service at competitive prices to our customers. With a complete inventory of HDPE pipe and fittings in sizes of 4" to 60" at each location, we can provide a fast turn-around on orders throughout our coverage area.

As Authorized Distributors of ADS/Hancor, G & O Supply Company would like to be your choice as the Servicing Distributor for your county. If selected we will provide prompt delivery on all standard orders with less than 24 hour service for emergency orders at bid prices submitted by ADS/Hancor for HDPE pipe and fittings. Additionally, if requested, we will offer professional guidance and Engineering services on special projects and new products.

Respectfully Submitted,

  
Davis M. Broadwater

Bid Date: August 18, 2015

Bid Time: 10:00 A.M.

Gentlemen:

Please find the attached copies of our quote for Spiral Lock-Seam Corrugated Metal Pipe for term of bid as advertised.

Bands are priced the same as 1' of pipe for H-6 bands, 1 ½' of pipe for H-12 bands, 2' of pipe for 5-C bands and 2 ½' of pipe for 10-C bands.

Prices are f.o.b. accessible by our trucks with unloading by others.

Prices quoted are per linear foot. Terms: Net.

Any pipe ordered 102" wide or high will require special permits and additional cost will be quoted at time of order. Round pipe is available in standard lengths 20', 24', 30', & 40' for Galvanized, Aluminized, Polymer and Bituminous Coated Pipe. Any custom lengths that require special ordering other than standard will be subject to a 10% increase in quoted price. All arch pipe is available in standard lengths with a maximum 40' lengths.

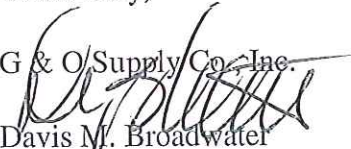

If you need any further assistance, please feel free to contact us.
